Period for Determination of Benefits

(c)(1) An individual's eligibility for a benefit under this title for a month shall be determined on the basis of the individual's (and eligible spouse's, if any) income, resources, and other relevant characteristics in such month, and, except as provided in paragraphs (2), (3), (4), (5), and (6), the amount of such benefit shall be determined for such month on the basis of income and other characteristics in the first or, if the Commissioner of Social Security so determines, second month preceding such month. Eligibility for and the

amount of such benefits shall be redetermined at such time or times as may be provided by the Commissioner of Social Security.

(2) The amount of such benefit for the month in which an application for benefits becomes effective (or, if the Commissioner of Social Security so determines, for such month and the following month) and for any month immediately following a month of ineligibility for such benefits (or, if the Commissioner of Social Security so determines, for such month and the following month) shall—

(A) be determined on the basis of the income of the individual and the eligible spouse, if any, of such individual and other relevant circumstances in such month; and

(B)² in the case of the first month following a period of ineligibility in which eligibility is restored after the first day of such month, bear the same ratio to the amount of the benefit which would have been payable to such individual if eligibility had been restored on the first day of such month as the number of days in such month including and following the date of restoration of eligibility bears to the total number of days in such month.

(3) For purposes of this subsection, an increase in the benefit amount payable under title II (over the amount payable in the preceding month, or, at the election of the Commissioner of Social Security, the second preceding month) to an individual receiving benefits under this title shall be included in the income used to determine the benefit under this title of such individual for any month which is—

(A) the first month in which the benefit amount payable to such individual under this title is increased pursuant to section 1617, or

(B) at the election of the Commissioner of Social Security, the month immediately following such month.

(4)(A) Notwithstanding paragraph (3), if the Commissioner of Social Security determines that reliable information is currently available with respect to the income and other circumstances of an individual for a month (including information with respect to a class of which such individual is a member and information with respect to scheduled cost-of-living adjustments under other benefit programs), the benefit amount of such individual under this title for such month may be determined on the basis of such information.

(B) The Commissioner of Social Security shall prescribe by regulation the circumstances in which information with respect to an event may be taken into account pursuant to subparagraph (A) in determining benefit amounts under this title.

(5) Notwithstanding paragraphs (1) and (2), any income which is paid to or on behalf of an individual in any month pursuant to (A) a State program funded under part A of title IV, (B) section 472 of this Act (relating to foster care assistance), (C) section 412(e) of the Immigration and Nationality Act (relating to assistance for refugees), (D) section 501(a) of Public Law 96-422 (relating to assistance for Cuban and Haitian entrants), or (E) the Act of November

²Section 433(b) of Public Law 108-203 inserted subparagraph (B), effective with respect to benefits payable for months that begin on or after 1 year after March 2, 2004.

2, 1921 (42 Stat. 208), as amended (relating to assistance furnished by the Bureau of Indian Affairs), shall be taken into account in determining the amount of the benefit under this title of such individual (and his eligible spouse, if any) only for that month, and shall not be taken into account in determining the amount of the benefit for any other month.

(6) The dollar amount in effect under subsection (b) as a result of any increase in benefits under this title by reason of section 1617 shall be used to determine the value of any in-kind support and maintenance required to be taken into account in determining the benefit payable under this title to an individual (and the eligible spouse, if any, of the individual) for the 1st 2 months for which the increase in benefits applies.

(7) For purposes of this subsection, an application of an individual for benefits under this title shall be effective on the later of—

(A) the first day of the month following the date such application is filed, or

(B) the first day of the month following the date such individual becomes eligible for such benefits with respect to such application.

(8) The Commissioner of Social Security may waive the limitations specified in subparagraphs (A) and (B) of subsection (e)(1) on an individual's eligibility and benefit amount for a month (to the extent either such limitation is applicable by reason of such individual's presence throughout such month in a hospital, extended care facility, nursing home, or intermediate care facility) if such waiver would promote the individual's removal from such institution or facility. Upon waiver of such limitations, the Commissioner of Social Security shall apply, to the month preceding the month of removal, or, if the Commissioner of Social Security so determines, the two months preceding the month of removal, the benefit rate that is appropriate to such individual's living arrangement subsequent to his removal from such institution or facility.

(9)(A)³ Notwithstanding paragraphs (1) and (2), any non-recurring income which is paid to an individual in the first month of any period of eligibility shall be taken into account in determining the amount of the benefit under this title of such individual (and his eligible spouse, if any) only for that month, and shall not be taken into account in determining the amount of the benefit for any other month.

(B) For purposes of subparagraph (A), payments to an individual in varying amounts from the same or similar source for the same or similar purpose shall not be considered to be nonrecurring income.

(10)⁴ For purposes of this subsection, remuneration for service performed as a member of a uniformed service may be treated as received in the month in which it was earned, if the Commissioner

³Section 433(a) of Public Law 108-203 inserted paragraph (9), effective with respect to benefits payable for months that begin on or after 1 year after March 2, 2004.

⁴Section 436(a) of Public Law 108-203 added a new paragraph (10) at the end of section 1611(c) of the Social Security Act, as amended by "section 435(a)" of P.L. 108-203. of Social Security determines that such treatment would promote the economical and efficient administration of the program authorized by this title.

Special Limits on Gross Income

(d) The Commissioner of Social Security may prescribe the circumstances under which, consistently with the purposes of this title, the gross income from a trade or business (including farming) will be considered sufficiently large to make an individual ineligible for benefits under this title. For purposes of this subsection, the term “gross income” has the same meaning as when used in chapter 1 of the Internal Revenue Code of 1954.

Limitation on Eligibility of Certain Individuals

(e)(1)(A) Except as provided in subparagraphs (B), (C), (D), (E), and (G), no person shall be an eligible individual or eligible spouse for purposes of this title with respect to any month if throughout such month he is an inmate of a public institution.

(B) In any case where an eligible individual or his eligible spouse (if any) is, throughout any month (subject to subparagraph (G)), in a medical treatment facility receiving payments (with respect to such individual or spouse) under a State plan approved under title XIX, or an eligible individual is a child described in section 1614(f)(2)(B), or, in the case of an eligible individual who is a child under the age of 18, receiving payments (with respect to such individual) under any health insurance policy issued by a private provider of such insurance the benefit under this title for such individual for such month shall be payable (subject to subparagraph (E))—

(i) at a rate not in excess of \$360 per year (reduced by the amount of any income not excluded pursuant to section 1612(b)) in the case of an individual who does not have an eligible spouse;

(ii) in the case of an individual who has an eligible spouse, if only one of them is in such a facility throughout such month, at a rate not in excess of the sum of—

(I) the rate of \$360 per year (reduced by the amount of any income, not excluded pursuant to section 1612(b), of the one who is in such facility), and

(II) the applicable rate specified in subsection (b)(1) (reduced by the amount of any income, not excluded pursuant to section 1612(b), of the other); and

(iii) at a rate not in excess of \$720 per year (reduced by the amount of any income not excluded pursuant to section 1612(b)) in the case of an individual who has an eligible spouse, if both of them are in such a facility throughout such month.

For purposes of this subsection, a medical treatment facility that provides services described in section 1917(c)(1)(C) shall be considered to be receiving payments with respect to an individual under a State plan approved under title XIX during any period of ineligibility of such individual provided for under the State plan pursuant to section 1917(c).

(C) As used in subparagraph (A), the term “public institution” does not include a publicly operated community residence which serves no more than 16 residents.

(D) A person may be an eligible individual or eligible spouse for purposes of this title with respect to any month throughout which he is a resident of a public emergency shelter for the homeless (as defined in regulations which shall be prescribed by the Commissioner of Social Security); except that no person shall be an eligible individual or eligible spouse by reason of this subparagraph more than 6 months in any 9-month period.

(E) Notwithstanding subparagraphs (A) and (B), any individual who—

(i)(I) is an inmate of a public institution, the primary purpose of which is the provision of medical or psychiatric care, throughout any month as described in subparagraph (A), or

(II) is in a medical treatment facility throughout any month as described in subparagraph (B),

(ii) was eligible under section 1619(a) or (b) for the month preceding such month, and

(iii) under an agreement of the public institution or the medical treatment facility is permitted to retain any benefit payable by reason of this subparagraph,

may be an eligible individual or eligible spouse for purposes of this title (and entitled to a benefit determined on the basis of the rate applicable under subsection (b)) for the month referred to in subclause (I) or (II) of clause (i) and, if such subclause still applies, for the succeeding month.

(F) An individual who is an eligible individual or an eligible spouse for a month by reason of subparagraph (E) shall not be treated as being eligible under section 1619(a) or (b) for such month for purposes of clause (ii) of such subparagraph.

(G) A person may be an eligible individual or eligible spouse for purposes of this title, and subparagraphs (A) and (B) shall not apply, with respect to any particular month throughout which he or she is an inmate of a public institution the primary purpose of which is the provision of medical or psychiatric care, or is in a medical treatment facility receiving payments (with respect to such individual or spouse) under a State plan approved under title XIX or, in the case of an individual who is a child under the age of 18, under any health insurance policy issued by a private provider of such insurance, if it is determined in accordance with subparagraph (H) or (J) that—

(i) such person’s stay in that institution or facility (or in that institution or facility and one or more other such institutions or facilities during a continuous period of institutionalization) is likely (as certified by a physician) not to exceed 3 months, and the particular month involved is one of the first 3 months throughout which such person is in such an institution or facility during a continuous period of institutionalization; and

(ii) such person needs to continue to maintain and provide for the expenses of the home or living arrangement to which he or she may return upon leaving the institution or facility.

The benefit of any person under this title (including State supplementation if any) for each month to which this subparagraph applies shall be payable, without interruption of benefit payments and on the date the benefit involved is regularly due, at the rate that was applicable to such person in the month prior to the first month throughout which he or she is in the institution or facility.

(H) The Commissioner of Social Security shall establish procedures for the determinations required by clauses (i) and (ii) of subparagraph (G), and may enter into agreements for making such determinations (or for providing information or assistance in connection with the making of such determinations) with appropriate State and local public and private agencies and organizations. Such procedures and agreements shall include the provision of appropriate assistance to individuals who, because of their physical or mental condition, are limited in their ability to furnish the information needed in connection with the making of such determinations.

(I)(i) The Commissioner shall enter into an agreement, with any interested State or local institution comprising a jail, prison, penal institution, or correctional facility, or with any other interested State or local institution a purpose of which is to confine individuals as described in section 202(x)(1)(A)(ii), under which—

(I) the institution shall provide to the Commissioner, on a monthly basis and in a manner specified by the Commissioner, the first, middle, and last names, social security account numbers or taxpayer identification numbers, prison assigned inmate numbers, last known addresses, dates of birth, confinement commencement dates, dates of release or anticipated dates of release, dates of work release, and, to the extent available to the institution, such other identifying information concerning the inmates of the institution as the Commissioner may require for the purpose of carrying out this paragraph and clause (iv) of this subparagraph and the other provisions of this title; and

(II) the Commissioner shall pay to any such institution, with respect to each individual who receives in the month preceding the first month throughout which such individual is an inmate of the jail, prison, penal institution, or correctional facility that furnishes information respecting such individual pursuant to subclause (I), or is confined in the institution (that so furnishes such information) as described in section 202(x)(1)(A)(ii), a benefit under this title for such preceding month, and who is determined by the Commissioner to be ineligible for benefits under this title by reason of confinement based on the information provided by such institution, \$400 (subject to reduction under clause (ii)) if the institution furnishes the information described in subclause (I) to the Commissioner within 15 days after the date such individual becomes an inmate of such institution, or \$200 (subject to reduction under clause (ii)) if the institution furnishes such information after 15 days after such date but within 90 days after such date.

(ii) The dollar amounts specified in clause (i)(II) shall be reduced by 50 percent if the Commissioner is also required to make

a payment to the institution with respect to the same individual under an agreement entered into under section 202(x)(3)(B).

(iii) The Commissioner shall provide, on a reimbursable basis,⁵ information obtained pursuant to agreements entered into under clause (i) to any Federal or federally-assisted cash, food, or medical assistance program for eligibility and other administrative purposes under such program, for statistical and research activities conducted by Federal and State agencies, and to the Secretary of the Treasury for the purposes of tax administration, debt collection, and identifying, preventing, and recovering improper payments under federally funded programs.

(iv) Payments to institutions required by clause (i)(II) shall be made from funds otherwise available for the payment of benefits under this title and shall be treated as direct spending for purposes of the Balanced Budget and Emergency Deficit Control Act of 1985.

(v)(I) The Commissioner may disclose information received pursuant to this paragraph to any officer, employee, agent, or contractor of the Department of the Treasury whose official duties require such information to assist in the identification, prevention, and recovery of improper payments or in the collection of delinquent debts owed to the United States, including payments certified by the head of an executive, judicial, or legislative paying agency, and payments made to individuals whose eligibility, or continuing eligibility, to participate in a Federal program (including those administered by a State or political subdivision thereof) is being reviewed.

(II) Notwithstanding the provisions of section 552a of title 5, United States Code, or any other provision of Federal or State law, the Secretary of the Treasury may compare information disclosed under subclause (I) with any other personally identifiable information derived from a Federal system of records or similar records maintained by a Federal contractor, a Federal grantee, or an entity administering a Federal program or activity and may redisclose such comparison of information to any paying or administering agency and to the head of the Federal Bureau of Prisons and the head of any State agency charged with the administration of prisons with respect to inmates whom the Secretary of the Treasury has determined may have been issued, or facilitated in the issuance of, an improper payment.

(III) The comparison of information disclosed under subclause (I) shall not be considered a matching program for purposes of section 552a of title 5, United States Code.

(J) For the purpose of carrying out this paragraph, the Commissioner of Social Security shall conduct periodic computer matches with data maintained by the Secretary of Health and Human Services under title XVIII or XIX. The Secretary shall furnish to the Commissioner, in such form and manner and under such terms as the Commissioner and the Secretary shall mutually

⁵Section 204 of the Foster Care Independence Act of 1999 (P.L. 106-169) amended this clause (before its redesignation by section 402(c)(1)(B) of P.L. 106-170; 113 Stat. 1909) "by striking 'is authorized to' and inserting 'shall'. Section 402(a)(3)(B) of the Ticket to Work and Work Incentives Improvement Act of 1999 (P.L. 106-170) attempts to amend this clause "by striking 'is authorized to provide, on a reimbursable basis,' and inserting 'shall maintain, and shall provide on a reimbursable basis,'". The amendment could not be executed.

agree, such information as the Commissioner may request for this purpose. Information obtained pursuant to such a match may be substituted for the physician's certification otherwise required under subparagraph (G)(i).

(2) No person shall be an eligible individual or eligible spouse for purposes of this title if, after notice to such person by the Commissioner of Social Security that it is likely that such person is eligible for any payments of the type enumerated in section 1612(a)(2)(B), such person fails within 30 days to take all appropriate steps to apply for and (if eligible) obtain any such payments.

(3) Notwithstanding anything to the contrary in the criteria being used by the Commissioner of Social Security in determining when a husband and wife are to be considered two eligible individuals for purposes of this title and when they are to be considered an eligible individual with an eligible spouse, the State agency administering or supervising the administration of a State plan under any other program under this Act may (in the administration of such plan) treat a husband and wife living in the same medical treatment facility described in paragraph (1)(B) as though they were an eligible individual with his or her eligible spouse for purposes of this title (rather than two eligible individuals), after they have continuously lived in the same such facility for 6 months, if treating such husband and wife as two eligible individuals would prevent either of them from receiving benefits or assistance under such plan or reduce the amount thereof.

(4)(A) No person shall be considered an eligible individual or eligible spouse for purposes of this title with respect to any month if during such month the person is—

(i) fleeing to avoid prosecution, or custody or confinement after conviction, under the laws of the place from which the person flees, for a crime, or an attempt to commit a crime, which is a felony under the laws of the place from which the person flees, or, in jurisdictions that do not define crimes as felonies, is punishable by death or imprisonment for a term exceeding 1 year regardless of the actual sentence imposed; or

(ii) violating a condition of probation or parole imposed under Federal or State law.

(B) Notwithstanding subparagraph (A), the Commissioner shall, for good cause shown, treat the person referred to in subparagraph (A) as an eligible individual or eligible spouse if the Commissioner determines that—

(i) a court of competent jurisdiction has found the person not guilty of the criminal offense, dismissed the charges relating to the criminal offense, vacated the warrant for arrest of the person for the criminal offense, or issued any similar exonerating order (or taken similar exonerating action), or

(ii) the person was erroneously implicated in connection with the criminal offense by reason of identity fraud.

(C) Notwithstanding subparagraph (A), the Commissioner may, for good cause shown based on mitigating circumstances, treat the person referred to in subparagraph (A) as an eligible individual or eligible spouse if the Commissioner determines that—

(i) the offense described in subparagraph (A)(i) or underlying the imposition of the probation or parole described in subparagraph (A)(ii) was nonviolent and not drug-related, and

(ii) in the case of a person who is not considered an eligible individual or eligible spouse pursuant to subparagraph (A)(ii), the action that resulted in the violation of a condition of probation or parole was nonviolent and not drug-related.

(5) Notwithstanding any other provision of law (other than section 6103 of the Internal Revenue Code of 1986 and section 1106(c) of this Act), the Commissioner shall furnish any Federal, State, or local law enforcement officer, upon the written request of the officer, with the current address, Social Security number, and photograph (if applicable) of any recipient of benefits under this title, if the officer furnishes the Commissioner with the name of the recipient, and other identifying information as reasonably required by the Commissioner to establish the unique identity of the recipient, and notifies the Commissioner that—

(A) the recipient is described in clause (i) or (ii) of paragraph (4)(A); and

(B) the location or apprehension of the recipient is within the officer's official duties.

Suspension of Payments to Individuals Who Are Outside the United States

(f)(1) Notwithstanding any other provision of this title, no individual (other than a child described in section 1614(a)(1)(B)(ii)) shall be considered an eligible individual for purposes of this title for any month during all of which such individual is outside the United States (and no person shall be considered the eligible spouse of an individual for purposes of this title with respect to any month during all of which such person is outside the United States). For purposes of the preceding sentence, after an individual has been outside the United States for any period of 30 consecutive days, he shall be treated as remaining outside the United States until he has been in the United States for a period of 30 consecutive days.

(2) For a period of not more than 1 year, the first sentence of paragraph (1) shall not apply to any individual who—

(A) was eligible to receive a benefit under this title for the month immediately preceding the first month during all of which the individual was outside the United States; and

(B) demonstrates to the satisfaction of the Commissioner of Social Security that the absence of the individual from the United States will be—

(i) for not more than 1 year; and

(ii) for the purpose of conducting studies as part of an educational program that is—

(I) designed to substantially enhance the ability of the individual to engage in gainful employment;

(II) sponsored by a school, college, or university in the United States; and

(III) not available to the individual in the United States.

Certain Individuals Deemed To Meet Resources Test

(g) In the case of any individual or any individual and his spouse (as the case may be) who—

(1) received aid or assistance for December 1973 under a plan of a State approved under title I, X, XIV, or XVI,

(2) has, since December 31, 1973, continuously resided in the State under the plan of which he or they received such aid or assistance for December 1973, and

(3) has, since December 31, 1973, continuously been (except for periods not in excess of six consecutive months) an eligible individual or eligible spouse with respect to whom supplemental security income benefits are payable,

the resources of such individual or such individual and his spouse (as the case may be) shall be deemed not to exceed the amount specified in sections 1611(a)(1)(B) and 1611(a)(2)(B) during any period that the resources of such individual or such individual and his spouse (as the case may be) does not exceed the maximum amount of resources specified in the State plan, as in effect for October 1972, under which he or they received such aid or assistance for December 1973.

Disposition of Resources

(b)(1) The Commissioner of Social Security shall prescribe the period or periods of time within which, and the manner in which, various kinds of property must be disposed of in order not to be included in determining an individual's eligibility for benefits. Any portion of the individual's benefits paid for any such period shall be conditioned upon such disposal; and any benefits so paid shall (at the time of the disposal) be considered overpayments to the extent they would not have been paid had the disposal occurred at the beginning of the period for which such benefits were paid.

(2) Notwithstanding the provisions of paragraph (1), the Commissioner of Social Security shall not require the disposition of any real property for so long as it cannot be sold because (A) it is jointly owned (and its sale would cause undue hardship, due to loss of housing, for the other owner or owners), (B) its sale is barred by a legal impediment, or (C) as determined under regulations issued by the Commissioner of Social Security, the owner's reasonable efforts to sell it have been unsuccessful.

Disposal of Resources for Less Than Fair Market Value

(c)(1)(A)(i) If an individual or the spouse of an individual disposes of resources for less than fair market value on or after the look-back date described in clause (ii)(I), the individual is ineligible for benefits under this title for months during the period beginning on the date described in clause (iii) and equal to the number of months calculated as provided in clause (iv).

(ii)(I) The look-back date described in this subclause is a date that is 36 months before the date described in subclause (II).

(II) The date described in this subclause is the date on which the individual applies for benefits under this title or, if later, the date on which the individual (or the spouse of the individual) disposes of resources for less than fair market value.

(iii) The date described in this clause is the first day of the first month in or after which resources were disposed of for less than fair market value and which does not occur in any other period of ineligibility under this paragraph.

(iv) The number of months calculated under this clause shall be equal to—

(I) the total, cumulative uncompensated value of all resources so disposed of by the individual (or the spouse of the

individual) on or after the look-back date described in clause (ii)(I); divided by

(II) the amount of the maximum monthly benefit payable under section 1611(b), plus the amount (if any) of the maximum State supplementary payment corresponding to the State's payment level applicable to the individual's living arrangement and eligibility category that would otherwise be payable to the individual by the Commissioner pursuant to an agreement under section 1616(a) of this Act or section 212(b) of Public Law 93-66, for the month in which occurs the date described in clause (ii)(II),

rounded, in the case of any fraction, to the nearest whole number, but shall not in any case exceed 36 months.

(B)(i) Notwithstanding subparagraph (A), this subsection shall not apply to a transfer of a resource to a trust if the portion of the trust attributable to the resource is considered a resource available to the individual pursuant to subsection (e)(3) (or would be so considered but for the application of subsection (e)(4)).

(ii) In the case of a trust established by an individual or an individual's spouse (within the meaning of subsection (e)), if from such portion of the trust, if any, that is considered a resource available to the individual pursuant to subsection (e)(3) (or would be so considered but for the application of subsection (e)(4)) or the residue of the portion on the termination of the trust—

(I) there is made a payment other than to or for the benefit of the individual; or

(II) no payment could under any circumstance be made to the individual,

then, for purposes of this subsection, the payment described in clause (I) or the foreclosure of payment described in clause (II) shall be considered a transfer of resources by the individual or the individual's spouse as of the date of the payment or foreclosure, as the case may be.

(C) An individual shall not be ineligible for benefits under this title by reason of the application of this paragraph to a disposal of resources by the individual or the spouse of the individual, to the extent that—

(i) the resources are a home and title to the home was transferred to—

(I) the spouse of the transferor;

(II) a child of the transferor who has not attained 21 years of age, or is blind or disabled;

(III) a sibling of the transferor who has an equity interest in such home and who was residing in the transferor's home for a period of at least 1 year immediately before the date the transferor becomes an institutionalized individual; or

(IV) a son or daughter of the transferor (other than a child described in subclause (II)) who was residing in the transferor's home for a period of at least 2 years immediately before the date the transferor becomes an institutionalized individual, and who provided care to the transferor which permitted the transferor to reside at home rather than in such an institution or facility;

- (ii) the resources—
- (I) were transferred to the transferor's spouse or to another for the sole benefit of the transferor's spouse;
 - (II) were transferred from the transferor's spouse to another for the sole benefit of the transferor's spouse;
 - (III) were transferred to, or to a trust (including a trust described in section 1917(d)(4)) established solely for the benefit of, the transferor's child who is blind or disabled; or
 - (IV) were transferred to a trust (including a trust described in section 1917(d)(4)) established solely for the benefit of an individual who has not attained 65 years of age and who is disabled;
- (iii) a satisfactory showing is made to the Commissioner of Social Security (in accordance with regulations promulgated by the Commissioner) that—
- (I) the individual who disposed of the resources intended to dispose of the resources either at fair market value, or for other valuable consideration;
 - (II) the resources were transferred exclusively for a purpose other than to qualify for benefits under this title; or
 - (III) all resources transferred for less than fair market value have been returned to the transferor; or
- (iv) the Commissioner determines, under procedures established by the Commissioner, that the denial of eligibility would work an undue hardship as determined on the basis of criteria established by the Commissioner.
- (D) For purposes of this subsection, in the case of a resource held by an individual in common with another person or persons in a joint tenancy, tenancy in common, or similar arrangement, the resource (or the affected portion of such resource) shall be considered to be disposed of by the individual when any action is taken, either by the individual or by any other person, that reduces or eliminates the individual's ownership or control of such resource.
- (E) In the case of a transfer by the spouse of an individual that results in a period of ineligibility for the individual under this subsection, the Commissioner shall apportion the period (or any portion of the period) among the individual and the individual's spouse if the spouse becomes eligible for benefits under this title.
- (F) For purposes of this paragraph—
- (i) the term "benefits under this title" includes payments of the type described in section 1616(a) of this Act and of the type described in section 212(b) of Public Law 93-66;
 - (ii) the term "institutionalized individual" has the meaning given such term in section 1917(e)(3); and
 - (iii) the term "trust" has the meaning given such term in subsection (e)(6)(A) of this section.
- (2)(A) At the time an individual (and the individual's eligible spouse, if any) applies for benefits under this title, and at the time the eligibility of an individual (and such spouse, if any) for such benefits is redetermined, the Commissioner of Social Security shall—

(i) inform such individual of the provisions of paragraph (1) and section 1917(c) providing for a period of ineligibility for benefits under this title and title XIX, respectively, for individuals who make certain dispositions of resources for less than fair market value, and inform such individual that information obtained pursuant to clause (ii) will be made available to the State agency administering a State plan under title XIX (as provided in subparagraph (B)); and

(ii) obtain from such individual information which may be used in determining whether or not a period of ineligibility for such benefits would be required by reason of paragraph (1) or section 1917(c).

(B) The Commissioner of Social Security shall make the information obtained under subparagraph (A)(ii) available, on request, to any State agency administering a State plan approved under title XIX.

Funds Set Aside for Burial Expenses

(d)(1) In determining the resources of an individual, there shall be excluded an amount, not in excess of \$1,500 each with respect to such individual and his spouse (if any), that is separately identifiable and has been set aside to meet the burial and related expenses of such individual or spouse.

(2) The amount of \$1,500, referred to in paragraph (1), with respect to an individual shall be reduced by an amount equal to (A) the total face value of all insurance policies on his life which are owned by him or his spouse and the cash surrender value of which has been excluded in determining the resources of such individual or of such individual and his spouse, and (B) the total of any amounts in an irrevocable trust (or other irrevocable arrangement) available to meet the burial and related expenses of such individual or his spouse.

(3) If the Commissioner of Social Security finds that any part of the amount excluded under paragraph (1) was used for purposes other than those for which it was set aside in cases where the inclusion of any portion of the amount would cause the resources of such individual, or of such individual and spouse, to exceed the limits specified in paragraph (1) or (2) (whichever may be applicable) of section 1611(a), he shall reduce any future benefits payable to the eligible individual (or to such individual and his spouse) by an amount equal to such part.

(4) The Commissioner of Social Security may provide by regulations that whenever an amount set aside to meet burial and related expenses is excluded under paragraph (1) in determining the resources of an individual, any interest earned or accrued on such amount (and left to accumulate), and any appreciation in the value of prepaid burial arrangements for which such amount was set aside, shall also be excluded (to such extent and subject to such conditions or limitations as such regulations may prescribe) in determining the resources (and the income) of such individual.

Trusts

(e)(1) In determining the resources of an individual, paragraph (3) shall apply to a trust (other than a trust described in paragraph (5)) established by the individual.

(2)(A) For purposes of this subsection, an individual shall be considered to have established a trust if any assets of the individual (or of the individual's spouse) are transferred to the trust other than by will.

(B) In the case of an irrevocable trust to which are transferred the assets of an individual (or of the individual's spouse) and the assets of any other person, this subsection shall apply to the portion of the trust attributable to the assets of the individual (or of the individual's spouse).

(C) This subsection shall apply to a trust without regard to—

- (i) the purposes for which the trust is established;
- (ii) whether the trustees have or exercise any discretion under the trust;
- (iii) any restrictions on when or whether distributions may be made from the trust; or
- (iv) any restrictions on the use of distributions from the trust.

(3)(A) In the case of a revocable trust established by an individual, the corpus of the trust shall be considered a resource available to the individual.

(B) In the case of an irrevocable trust established by an individual, if there are any circumstances under which payment from the trust could be made to or for the benefit of the individual (or of the individual's spouse), the portion of the corpus from which payment to or for the benefit of the individual (or of the individual's spouse) could be made shall be considered a resource available to the individual.

(4) The Commissioner of Social Security may waive the application of this subsection with respect to an individual if the Commissioner determines that such application would work an undue hardship (as determined on the basis of criteria established by the Commissioner) on the individual.

(5) This subsection shall not apply to a trust described in subparagraph (A) or (C) of section 1917(d)(4).

(6) For purposes of this subsection—

(A) the term "trust" includes any legal instrument or device that is similar to a trust;

(B) the term "corpus" means, with respect to a trust, all property and other interests held by the trust, including accumulated earnings and any other addition to the trust after its establishment (except that such term does not include any such earnings or addition in the month in which the earnings or addition is credited or otherwise transferred to the trust); and

(C) the term "asset" includes any income or resource of the individual (or of the individual's spouse), including—

Aged, Blind, or Disabled Individual

SEC. 1614. [42 U.S.C. 1382c] (a)(1) For purposes of this title, the term “aged, blind, or disabled individual” means an individual who—

(A) is 65 years of age or older, is blind (as determined under paragraph (2)), or is disabled (as determined under paragraph (3)), and

(B)(i) is a resident of the United States, and is either (I) a citizen or (II) an alien lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law (including any alien who is lawfully present in the United States as a result of the application of the provisions of section 212(d)(5) of the Immigration and Nationality Act

(ii) is a child who is a citizen of the United States, and who is living with a parent of the child who is a member of the Armed Forces of the United States assigned to permanent duty ashore outside the United States.

(2) An individual shall be considered to be blind for purposes of this title if he has central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for purposes of the first sentence of this subsection as having a central visual acuity of 20/200 or less. An individual shall also be considered to be blind for purposes of this title if he is blind as defined under a State plan approved under title X or XVI as in effect for October 1972 and received aid under such plan (on the basis of blindness) for December 1973, so long as he is continuously blind as so defined.

(3)⁸(A) Except as provided in subparagraph (C), an individual shall be considered to be disabled for purposes of this title if he is

⁸Section 211(a) of P.L. 104–193 (110 Stat. 2188) made amendments to this paragraph. Subparagraphs (A) and (B) of subsection (d)(2) provides as follows:

(d) EFFECTIVE DATES, ETC.—

(1) EFFECTIVE DATES.—

(2) APPLICATION TO CURRENT RECIPIENTS.—

(A) ELIGIBILITY REDETERMINATIONS.—During the period beginning on the date of the enactment of this Act and ending on the date which is 1 year after such date of enactment, the Commissioner of Social Security shall redetermine the eligibility of any individual under age 18 who is eligible for supplemental security income benefits by reason of disability under title XVI of the Social Security Act as of the date of the enactment

unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months.

(B) For purposes of subparagraph (A), an individual shall be determined to be under a disability only if his physical or mental impairment or impairments are of such severity that he is not only unable to do his previous work but cannot, considering his age, education, and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which he lives, or whether a specific job vacancy exists for him, or whether he would be hired if he applied for work. For purposes of the preceding sentence (with respect to any individual), "work which exists in the national economy" means work which exists in significant numbers either in the region where such individual lives or in several regions of the country.

(C)(i) An individual under the age of 18 shall be considered disabled for the purposes of this title if that individual has a medically determinable physical or mental impairment, which results in marked and severe functional limitations, and which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.

(ii) Notwithstanding clause (i), no individual under the age of 18 who engages in substantial gainful activity (determined in accordance with regulations prescribed pursuant to subparagraph (E)) may be considered to be disabled.

(D) For purposes of this paragraph, a physical or mental impairment is an impairment that results from anatomical, physiological, or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques.

(E) The Commissioner of Social Security shall by regulations prescribe the criteria for determining when services performed or earnings derived from services demonstrate an individual's ability to engage in substantial gainful activity. In determining whether an individual is able to engage in substantial gainful activity by reason of his earnings, where his disability is sufficiently severe to result in a functional limitation requiring assistance in order for him to work, there shall be excluded from such earnings an amount

of this Act and whose eligibility for such benefits may terminate by reason of the provisions of, or amendments made by, subsections (a) and (b) of this section. With respect to any redetermination under this subparagraph—

(i) section 1614(a)(4) of the Social Security Act (42 U.S.C. 1382c(a)(4)) shall not apply;

(ii) the Commissioner of Social Security shall apply the eligibility criteria for new applicants for benefits under title XVI of such Act;

(iii) the Commissioner shall give such redetermination priority over all continuing eligibility reviews and other reviews under such title; and

(iv) such redetermination shall be counted as a review or redetermination otherwise required to be made under section 208 of the Social Security Independence and Program Improvements Act of 1994 or any other provision of title XVI of the Social Security Act.

(B) GRANDFATHER PROVISION.—The provisions of, and amendments made by, subsections (a) and (b) of this section, and the redetermination under subparagraph (A), shall only apply with respect to the benefits of an individual described in subparagraph (A) for months beginning on or after the later of July 1, 1997, or the date of the redetermination with respect to such individual.

equal to the cost (to such individual) of any attendant care services, medical devices, equipment, prostheses, and similar items and services (not including routine drugs or routine medical services unless such drugs or services are necessary for the control of the disabling condition) which are necessary (as determined by the Commissioner of Social Security in regulations) for that purpose, whether or not such assistance is also needed to enable him to carry out his normal daily functions; except that the amounts to be excluded shall be subject to such reasonable limits as the Commissioner of Social Security may prescribe. Notwithstanding the provisions of subparagraph (B), an individual whose services or earnings meet such criteria shall be found not to be disabled. The Commissioner of Social Security shall make determinations under this title with respect to substantial gainful activity, without regard to the legality of the activity.

(F) Notwithstanding the provisions of subparagraphs (A) through (E), an individual shall also be considered to be disabled for purposes of this title if he is permanently and totally disabled as defined under a State plan approved under title XIV or XVI as in effect for October 1972 and received aid under such plan (on the basis of disability) for December 1973 (and for at least one month prior to July 1973), so long as he is continuously disabled as so defined.

(G) In determining whether an individual's physical or mental impairment or impairments are of a sufficient medical severity that such impairment or impairments could be the basis of eligibility under this section, the Commissioner of Social Security shall consider the combined effect of all of the individual's impairments without regard to whether any such impairment, if considered separately, would be of such severity. If the Commissioner of Social Security does find a medically severe combination of impairments, the combined impact of the impairments shall be considered throughout the disability determination process.

(H)(i) In making determinations with respect to disability under this title, the provisions of sections 221(h), 221(k), and 223(d)(5) shall apply in the same manner as they apply to determinations of disability under title II.

(ii)(I) Not less frequently than once every 3 years, the Commissioner shall review in accordance with paragraph (4) the continued eligibility for benefits under this title of each individual who has not attained 18 years of age and is eligible for such benefits by reason of an impairment (or combination of impairments) which is likely to improve (or, at the option of the Commissioner, which is unlikely to improve).

(II) A representative payee of a recipient whose case is reviewed under this clause shall present, at the time of review, evidence demonstrating that the recipient is, and has been, receiving treatment, to the extent considered medically necessary and available, of the condition which was the basis for providing benefits under this title.

(III) If the representative payee refuses to comply without good cause with the requirements of subclause (II), the Commissioner of Social Security shall, if the Commissioner determines it is in the best interest of the individual, promptly suspend payment of bene-

fits to the representative payee, and provide for payment of benefits to an alternative representative payee of the individual or, if the interest of the individual under this title would be served thereby, to the individual.

(IV) Subclause (II) shall not apply to the representative payee of any individual with respect to whom the Commissioner determines such application would be inappropriate or unnecessary. In making such determination, the Commissioner shall take into consideration the nature of the individual's impairment (or combination of impairments). Section 1631(c) shall not apply to a finding by the Commissioner that the requirements of subclause (II) should not apply to an individual's representative payee.

(iii) If an individual is eligible for benefits under this title by reason of disability for the month preceding the month in which the individual attains the age of 18 years, the Commissioner shall redetermine such eligibility—

(I) by applying the criteria used in determining initial eligibility for individuals who are age 18 or older; and

(II) either during the 1-year period beginning on the individual's 18th birthday or, in lieu of a continuing disability review, whenever the Commissioner determines that an individual's case is subject to a redetermination under this clause.

With respect to any redetermination under this clause, paragraph (4) shall not apply.

(iv)(I) Except as provided in subclause (VI), not later than 12 months after the birth of an individual, the Commissioner shall review in accordance with paragraph (4) the continuing eligibility for benefits under this title by reason of disability of such individual whose low birth weight is a contributing factor material to the Commissioner's determination that the individual is disabled.

(II) A review under subclause (I) shall be considered a substitute for a review otherwise required under any other provision of this subparagraph during that 12-month period.

(III) A representative payee of a recipient whose case is reviewed under this clause shall present, at the time of review, evidence demonstrating that the recipient is, and has been, receiving treatment, to the extent considered medically necessary and available, of the condition which was the basis for providing benefits under this title.

(IV) If the representative payee refuses to comply without good cause with the requirements of subclause (III), the Commissioner of Social Security shall, if the Commissioner determines it is in the best interest of the individual, promptly suspend payment of benefits to the representative payee, and provide for payment of benefits to an alternative representative payee of the individual or, if the interest of the individual under this title would be served thereby, to the individual.

(V) Subclause (III) shall not apply to the representative payee of any individual with respect to whom the Commissioner determines such application would be inappropriate or unnecessary. In making such determination, the Commissioner shall take into consideration the nature of the individual's impairment (or combination of impairments). Section 1631(c) shall not apply to a finding

by the Commissioner that the requirements of subclause (III) should not apply to an individual's representative payee.

(VI) Subclause (I) shall not apply in the case of an individual described in that subclause who, at the time of the individual's initial disability determination, the Commissioner determines has an impairment that is not expected to improve within 12 months after the birth of that individual, and who the Commissioner schedules for a continuing disability review at a date that is after the individual attains 1 year of age.

(I) In making any determination under this title with respect to the disability of an individual who has not attained the age of 18 years and to whom section 221(h) does not apply, the Commissioner of Social Security shall make reasonable efforts to ensure that a qualified pediatrician or other individual who specializes in a field of medicine appropriate to the disability of the individual (as determined by the Commissioner of Social Security) evaluates the case of such individual.

(J) Notwithstanding subparagraph (A), an individual shall not be considered to be disabled for purposes of this title if alcoholism or drug addiction would (but for this subparagraph) be a contributing factor material to the Commissioner's determination that the individual is disabled.

(4) A recipient of benefits based on disability under this title may be determined not to be entitled to such benefits on the basis of a finding that the physical or mental impairment on the basis of which such benefits are provided has ceased, does not exist, or is not disabling only if such finding is supported by—

(A) in the case of an individual who is age 18 or older—

(i) substantial evidence which demonstrates that—

(I) there has been any medical improvement in the individual's impairment or combination of impairments (other than medical improvement which is not related to the individual's ability to work), and

(II) the individual is now able to engage in substantial gainful activity; or

(ii) substantial evidence (except in the case of an individual eligible to receive benefits under section 1619) which—

(I) consists of new medical evidence and a new assessment of the individual's residual functional capacity, and demonstrates that—

(aa) although the individual has not improved medically, he or she is nonetheless a beneficiary of advances in medical or vocational therapy or technology (related to the individual's ability to work), and

(bb) the individual is now able to engage in substantial gainful activity, or

(II) demonstrates that—

(aa) although the individual has not improved medically, he or she has undergone vocational therapy (related to the individual's ability to work), and

(bb) the individual is now able to engage in substantial gainful activity; or

(iii) substantial evidence which demonstrates that, as determined on the basis of new or improved diagnostic tech-

niques or evaluations, the individual's impairment or combination of impairments is not as disabling as it was considered to be at the time of the most recent prior decision that he or she was under a disability or continued to be under a disability, and that therefore the individual is able to engage in substantial gainful activity; or

(B) in the case of an individual who is under the age of 18—

(i) substantial evidence which demonstrates that there has been medical improvement in the individual's impairment or combination of impairments, and that such impairment or combination of impairments no longer results in marked and severe functional limitations; or

(ii) substantial evidence which demonstrates that, as determined on the basis of new or improved diagnostic techniques or evaluations, the individual's impairment or combination of impairments, is not as disabling as it was considered to be at the time of the most recent prior decision that the individual was under a disability or continued to be under a disability, and such impairment or combination of impairments does not result in marked and severe functional limitations; or

(C) in the case of any individual, substantial evidence (which may be evidence on the record at the time any prior determination of the entitlement to benefits based on disability was made, or newly obtained evidence which relates to that determination) which demonstrates that a prior determination was in error.

Nothing in this paragraph shall be construed to require a determination that an individual receiving benefits based on disability under this title is entitled to such benefits if the prior determination was fraudulently obtained or if the individual is engaged in substantial gainful activity, cannot be located, or fails, without good cause, to cooperate in a review of his or her entitlement or to follow prescribed treatment which would be expected (i) to restore his or her ability to engage in substantial gainful activity, or (ii) in the case of an individual under the age of 18, to eliminate or improve the individual's impairment or combination of impairments so that it no longer results in marked and severe functional limitations. Any determination under this paragraph shall be made on the basis of all the evidence available in the individual's case file, including new evidence concerning the individual's prior or current condition which is presented by the individual or secured by the Commissioner of Social Security. Any determination made under this paragraph shall be made on the basis of the weight of the evidence and on a neutral basis with regard to the individual's condition, without any initial inference as to the presence or absence of disability being drawn from the fact that the individual has previously been determined to be disabled.

Eligible Spouse

(b) For purposes of this title, the term "eligible spouse" means an aged, blind, or disabled individual who is the husband or wife

of another aged, blind, or disabled individual, and who, in a month, is living with such aged, blind, or disabled individual on the first day of the month or, in any case in which either spouse files an application for benefits, on the first day of the month following the date the application is filed, or, in any case in which either spouse requests restoration of eligibility under this title during the month, at the time the request is filed. If two aged, blind, or disabled individuals are husband and wife as described in the preceding sentence, only one of them may be an “eligible individual” within the meaning of section 1611(a).

Definition of Child

(c) For purposes of this title, the term “child” means an individual who is neither married nor (as determined by the Commissioner of Social Security) the head of a household, and who is (1) under the age of eighteen, or (2) under the age of twenty-two and (as determined by the Commissioner of Social Security) a student regularly attending a school, college, or university, or a course of vocational or technical training designed to prepare him for gainful employment.

Determination of Marital Relationships

(d) In determining whether two individuals are husband and wife for purposes of this title, appropriate State law shall be applied; except that—

(1) if a man and woman have been determined to be husband and wife under section 216(h)(1) for purposes of title II they shall be considered (from and after the date of such determination or the date of their application for benefits under this title, whichever is later) to be husband and wife for purposes of this title, or

(2) if a man and woman are found to be holding themselves out to the community in which they reside as husband and wife, they shall be so considered for purposes of this title notwithstanding any other provision of this section.

United States

(e) For purposes of this title, the term “United States”, when used in a geographical sense, means the 50 States and the District of Columbia.

Income and Resources of Individuals Other Than Eligible Individuals and Eligible Spouses

(f)(1) For purposes of determining eligibility for and the amount of benefits for any individual who is married and whose spouse is living with him in the same household but is not an eligible spouse, such individual’s income and resources shall be deemed to include any income and resources of such spouse, whether or not available to such individual, except to the extent determined by the Commissioner of Social Security to be inequitable under the circumstances.

(2)(A) For purposes of determining eligibility for and the amount of benefits for any individual who is a child under age 18, such individual's income and resources shall be deemed to include any income and resources of a parent of such individual (or the spouse of such a parent) who is living in the same household as such individual, whether or not available to such individual, except to the extent determined by the Commissioner of Social Security to be inequitable under the circumstances.

(B) Subparagraph (A) shall not apply in the case of any child who has not attained the age of 18 years who—

- (i) is disabled;
- (ii) received benefits under this title, pursuant to section 1611(e)(1)(B), while in an institution described in section 1611(e)(1)(B);
- (iii) is eligible for medical assistance under a State home care plan approved by the Secretary under the provisions of section 1915(c) relating to waivers, or authorized under section 1902(e)(3); and
- (iv) but for this subparagraph, would not be eligible for benefits under this title.

(3) For purposes of determining eligibility for and the amount of benefits for any individual who is an alien, such individual's income and resources shall be deemed to include the income and resources of his sponsor and such sponsor's spouse (if such alien has a sponsor) as provided in section 1621. Any such income deemed to be income of such individual shall be treated as unearned income of such individual.

(4) For purposes of paragraphs (1) and (2), a spouse or parent (or spouse of such a parent) who is absent from the household in which the individual lives due solely to a duty assignment as a member of the Armed Forces on active duty shall, in the absence of evidence to the contrary, be deemed to be living in the same household as the individual.

[(c) Repealed.]

(d) The Commissioner of Social Security is authorized to reimburse the State agency administering or supervising the administration of a State plan for vocational rehabilitation services approved under title I of the Rehabilitation Act of 1973 for the costs incurred under such plan in the provision of rehabilitation services to individuals who are referred for such services pursuant to subsection (a) (1),⁹ in cases where the furnishing of such services re-

sults in the performance by such individuals of substantial gainful activity for a continuous period of nine months, (2) in cases where such individuals receive benefits as a result of section 1631(a)(6) (except that no reimbursement under this subsection shall be made for services furnished to any individual receiving such benefits for any period after the close of such individual's ninth consecutive month of substantial gainful activity or the close of the month with which his or her entitlement to such benefits ceases, whichever first occurs), and (3) in cases where such individuals, without good cause, refuse to continue to accept vocational rehabilitation services or fail to cooperate in such a manner as to preclude their successful rehabilitation. The determination that the vocational rehabilitation services contributed to the successful return of an individual to substantial gainful activity, the determination that an individual, without good cause, refused to continue to accept vocational rehabilitation services or failed to cooperate in such a manner as to preclude successful rehabilitation, and the determination of the amount of costs to be reimbursed under this subsection shall be made by the Commissioner of Social Security in accordance with criteria determined by the Commissioner in the same manner as under section 222(d)(1).

(e) The Commissioner of Social Security may reimburse the State agency described in subsection (d) for the costs described therein incurred in the provision of rehabilitation services—

- (1) for any month for which an individual received—
 - (A) benefits under section 1611 or 1619(a);
 - (B) assistance under section 1619(b); or
 - (C) a federally administered State supplementary payment under section 1616 of this Act or section 212(b) of Public Law 93-66; and
- (2) for any month before the 13th consecutive month for which an individual, for a reason other than cessation of disability or blindness, was ineligible for—

 - (C) a federally administered State supplementary payment under section 1616 of this Act or section 212(b) of Public Law 93-66.

OPTIONAL STATE SUPPLEMENTATION

SEC. 1616. [42 U.S.C. 1382e] (a) Any cash payments which are made by a State (or political subdivision thereof) on a regular basis to individuals who are receiving benefits under this title or who would but for their income be eligible to receive benefits under this title, as assistance based on need in supplementation of such benefits (as determined by the Commissioner of Social Security), shall be excluded under section 1612(b)(6) in determining the income of such individuals for purposes of this title and the Commissioner of Social Security and such State may enter into an agreement which satisfies subsection (b) under which the Commissioner of Social Security will, on behalf of such State (or subdivision) make such supplementary payments to all such individuals.

(b) Any agreement between the Commissioner of Social Security and a State entered into under subsection (a) shall provide—

(1) that such payments will be made (subject to subsection (c)) to all individuals residing in such State (or subdivision) who are receiving benefits under this title, and

(2) such other rules with respect to eligibility for or amount of the supplementary payments, and such procedural or other general administrative provisions, as the Commissioner of Social Security finds necessary (subject to subsection (c)) to achieve efficient and effective administration of both the program which the Commission conducts under this title and the optional State supplementation.

At the option of the State (but subject to paragraph (2) of this subsection), the agreement between the Commissioner of Social Security and such State entered into under subsection (a) shall be modified to provide that the Commissioner of Social Security will make supplementary payments, on and after an effective date to be specified in the agreement as so modified, to individuals receiving benefits determined under section 1611(e)(1)(B).

(c)(1) Any State (or political subdivision) making supplementary payments described in subsection (a) may at its option impose as a condition of eligibility for such payments, and include in the State's agreement with the Commissioner of Social Security under such subsection, a residence requirement which excludes individuals who have resided in the State (or political subdivision) for less than a minimum period prior to application for such payments.

(2) Any State (or political subdivision), in determining the eligibility of any individual for supplementary payments described in subsection (a), may disregard amounts of earned and unearned income in addition to other amounts which it is required or permitted to disregard under this section in determining such eligibility, and shall include a provision specifying the amount of any such income that will be disregarded, if any.

(3) Any State (or political subdivision) making supplementary payments described in subsection (a) shall have the option of making such payments to individuals who receive benefits under this title under the provisions of section 1619, or who would be eligible to receive such benefits but for their income.

(d)(1) Any State which has entered into an agreement with the Commissioner of Social Security under this section which provides that the Commissioner of Social Security will, on behalf of the State (or political subdivision), make the supplementary payments to individuals who are receiving benefits under this title (or who would but for their income be eligible to receive such benefits), shall, in accordance with paragraph (5), pay to the Commissioner of Social Security an amount equal to the expenditures made by the Commissioner of Social Security as such supplementary payments, plus an administration fee assessed in accordance with paragraph (2) and any additional services fee charged in accordance with paragraph (3).

(2)(A) The Commissioner of Social Security shall assess each State an administration fee in an amount equal to—

(i) the number of supplementary payments made by the Commissioner of Social Security on behalf of the State under this section for any month in a fiscal year; multiplied by

(ii) the applicable rate for the fiscal year.

(B) As used in subparagraph (A), the term “applicable rate” means—

- (i) for fiscal year 1994, \$1.67;
- (ii) for fiscal year 1995, \$3.33;
- (iii) for fiscal year 1996, \$5.00;
- (iv)¹⁰ for fiscal year 1997, \$5.00;
- (v) for fiscal year 1998, \$6.20;
- (vi) for fiscal year 1999, \$7.60;
- (vii) for fiscal year 2000, \$7.80;
- (viii) for fiscal year 2001, \$8.10;
- (ix) for fiscal year 2002, \$8.50; and
- (x) for fiscal year 2003 and each succeeding fiscal year—

(I) the applicable rate in the preceding fiscal year, increased by the percentage, if any, by which the Consumer Price Index for the month of June of the calendar year of the increase exceeds the Consumer Price Index for the month of June of the calendar year preceding the calendar year of the increase, and rounded to the nearest whole cent; or

(II) such different rate as the Commissioner determines is appropriate for the State.

(C) Upon making a determination under subparagraph (B)(x)(II)¹¹, the Commissioner of Social Security shall promulgate the determination in regulations, which may take into account the complexity of administering the State’s supplementary payment program.

(D) All fees assessed pursuant to this paragraph shall be transferred to the Commissioner of Social Security at the same time that amounts for such supplementary payments are required to be so transferred.

(3)(A) The Commissioner of Social Security may charge a State an additional services fee if, at the request of the State, the Commissioner of Social Security provides additional services beyond the level customarily provided, in the administration of State supplementary payments pursuant to this section.

(B) The additional services fee shall be in an amount that the Commissioner of Social Security determines is necessary to cover all costs (including indirect costs) incurred by the Federal Government in furnishing the additional services referred to in subparagraph (A).

(4)¹²(A) The first \$5 of each administration fee assessed pursuant to paragraph (2), upon collection, shall be deposited in the gen-

The amounts so credited, to the extent and in the amounts provided in advance in appropriations Acts, shall be available to defray expenses incurred in carrying out this title and related laws.

(5)(A)(i) Any State which has entered into an agreement with the Commissioner of Social Security under this section shall remit the payments and fees required under this subsection with respect to monthly benefits paid to individuals under this title no later than—

(I) the business day preceding the date that the Commissioner pays such monthly benefits; or

(II) with respect to such monthly benefits paid for the month that is the last month of the State's fiscal year, the fifth business day following such date.

(ii) The Commissioner may charge States a penalty in an amount equal to 5 percent of the payment and the fees due if the remittance is received after the date required by clause (i).

(B) The Cash Management Improvement Act of 1990 shall not apply to any payments or fees required under this subsection that are paid by a State before the date required by subparagraph (A)(i).

(C) Notwithstanding subparagraph (A)(i), the Commissioner may make supplementary payments on behalf of a State with funds appropriated for payment of benefits under this title, and subsequently to be reimbursed for such payments by the State at such times as the Commissioner and State may agree. Such authority may be exercised only if extraordinary circumstances affecting a State's ability to make payment when required by subparagraph (A)(i) are determined by the Commissioner to exist.

(e)(1) Each State shall establish or designate one or more State or local authorities which shall establish, maintain, and insure the enforcement of standards for any category of institutions, foster homes, or group living arrangements in which (as determined by the State) a significant number of recipients of supplemental security income benefits is residing or is likely to reside. Such standards shall be appropriate to the needs of such recipients and the character of the facilities involved, and shall govern such matters

(B) That portion of each administration fee in excess of \$5, and 100 percent of each additional services fee charged pursuant to paragraph (3), upon collection for fiscal year 1998 and each subsequent fiscal year, shall be credited to a special fund established in the Treasury of the United States for State supplementary payment fees. The amounts so credited, to the extent and in the amounts provided in advance in appropriations Acts, shall be available to defray expenses incurred in carrying out this title and related laws. The amounts so credited shall not be scored as receipts under section 252 of the Balanced Budget and Emergency Deficit Control Act of 1985, and the amounts so credited shall be credited as a discretionary offset to discretionary spending to the extent that the amounts so credited are made available for expenditure in appropriations Acts.

as admission policies, safety, sanitation, and protection of civil rights.

(2) Each State shall annually make available for public review a summary of the standards established pursuant to paragraph (1), and shall make available to any interested individual a copy of such standards, along with the procedures available in the State to insure the enforcement of such standards and a list of any waivers of such standards and any violations of such standards which have come to the attention of the authority responsible for their enforcement.

(3) Each State shall certify annually to the Commissioner of Social Security that it is in compliance with the requirements of this subsection.

(4) Payments made under this title with respect to an individual shall be reduced by an amount equal to the amount of any supplementary payment (as described in subsection (a)) or other payment made by a State (or political subdivision thereof) which is made for or on account of any medical or any other type of remedial care provided by an institution of the type described in paragraph (1) to such individual as a resident or an inpatient of such institution if such institution is not approved as meeting the standards described in such paragraph by the appropriate State or local authorities.

COST-OF-LIVING ADJUSTMENTS IN BENEFITS

SEC. 1617. [42 U.S.C. 1382f] (a) Whenever benefit amounts under title II are increased by any percentage effective with any month as a result of a determination made under section 215(i)—

(1) each of the dollar amounts in effect for such month under subsections (a)(1)(A), (a)(2)(A), (b)(1), and (b)(2) of section 1611, and subsection (a)(1)(A) of section 211 of Public Law 93–66, as specified in such subsections or as previously increased under this section, shall be increased by the amount (if any) by which—

(A) the amount which would have been in effect for such month under such subsection but for the rounding of such amount pursuant to paragraph (2), exceeds

(B) the amount in effect for such month under such subsection; and

(2) the amount obtained under paragraph (1) with respect to each subsection shall be further increased by the same percentage by which benefit amounts under title II are increased for such month, or, if greater (in any case where the increase under title II was determined on the basis of the wage increase percentage rather than the CPI increase percentage), the percentage by which benefit amounts under title II would be increased for such month if the increase had been determined on the basis of the CPI increase percentage, (and rounded, when not a multiple of \$12, to the next lower multiple of \$12), effective with respect to benefits for months after such month.

(b) The new dollar amounts to be in effect under section 1611 of this title and under section 211 of Public Law 93–66 by reason of subsection (a) of this section shall be published in the Federal Register together with, and at the same time as, the material re-

quired by section 215(i)(2)(D) to be published therein by reason of the determination involved.

(c) Effective July 1, 1983—

(1) each of the dollar amounts in effect under subsections (a)(1)(A) and (b)(1) of section 1611, as previously increased under this section, shall be increased by \$240 (and the dollar amount in effect under subsection (a)(1)(A) of section 211 of Public Law 93–66, as previously so increased, shall be increased by \$120); and

(2) each of the dollar amounts in effect under subsections (a)(2)(A) and (b)(2) of section 1611, as previously increased under this section, shall be increased by \$360.

OPERATION OF STATE SUPPLEMENTATION PROGRAMS

SEC. 1618. [42 U.S.C. 1382g] (a) In order for any State which makes supplementary payments of the type described in section 1616(a) (including payments pursuant to an agreement entered into under section 212(a) of Public Law 93–66), on or after June 30, 1977, to be eligible for payments pursuant to title XIX with respect to expenditures for any calendar quarter which begins—

(1) after June 30, 1977, or, if later,

(2) after the calendar quarter in which it first makes such supplementary payments, such State must have in effect an agreement with the Commissioner of Social Security whereby the State will—

(3) continue to make such supplementary payments, and

(4) maintain such supplementary payments at levels which are not lower than the levels of such payments in effect in December 1976, or, if no such payments were made in that month, the levels for the first subsequent month in which such payments were made.

(b)(1) The Commissioner of Social Security shall not find that a State has failed to meet the requirements imposed by paragraph (4) of subsection (a) with respect to the levels of its supplementary payments for a particular month or months if the State's expenditures for such payments in the twelve-month period (within which such month or months fall) beginning on the effective date of any increase in the level of supplemental security income benefits pursuant to section 1617 are not less than its expenditures for such payments in the preceding twelve-month period.

(2) For purposes of determining under paragraph (1) whether a State's expenditures for supplementary payments in the 12-month period beginning on the effective date of any increase in the level of supplemental security income benefits are not less than the State's expenditures for such payments in the preceding 12-month period, the Commissioner of Social Security, in computing the State's expenditures, shall disregard, pursuant to a 1-time election of the State, all expenditures by the State for retroactive supplementary payments that are required to be made in connection with the retroactive supplemental security income benefits referred to in section 5041 of the Omnibus Budget Reconciliation Act of 1990.

(c) Any State which satisfies the requirements of this section solely by reason of subsection (b) for a particular month or months in any 12-month period (described in such subsection) ending on or

after June 30, 1982, may elect, with respect to any month in any subsequent 12-month period (so described), to apply subsection (a)(4) as though the reference to December 1976 in such subsection were a reference to the month of December which occurred in the 12-month period immediately preceding such subsequent period.

(d) The Commissioner of Social Security shall not find that a State has failed to meet the requirements imposed by paragraph (4) of subsection (a) with respect to the levels of its supplementary payments for any portion of the period July 1, 1980, through June 30, 1981, if the State's expenditures for such payments in that twelve-month period were not less than its expenditures for such payments for the period July 1, 1976, through June 30, 1977 (or, if the State made no supplementary payments in the period July 1, 1976, through June 30, 1977, the expenditures for the first twelve-month period extending from July 1 through June 30 in which the State made such payments).

(e)(1) For any particular month after March 1983, a State which is not treated as meeting the requirements imposed by paragraph (4) of subsection (a) by reason of subsection (b) shall be treated as meeting such requirements if and only if—

(A) the combined level of its supplementary payments (to recipients of the type involved) and the amounts payable (to or on behalf of such recipients) under section 1611(b) of this Act and section 211(a)(1)(A) of Public Law 93-66, for that particular month, is not less than—

(B) the combined level of its supplementary payments (to recipients of the type involved) and the amounts payable (to or on behalf of such recipients) under section 1611(b) of this Act and section 211(a)(1)(A) of Public Law 93-66, for March 1983, increased by the amount of all cost-of-living adjustments under section 1617 (and any other benefit increases under this title) which have occurred after March 1983 and before that particular month.

(2) In determining the amount of any increase in the combined level involved under paragraph (1)(B) of this subsection, any portion of such amount which would otherwise be attributable to the increase under section 1617(c) shall be deemed instead to be equal to the amount of the cost-of-living adjustment which would have occurred in July 1983 (without regard to the 3-percent limitation contained in section 215(i)(1)(B)) if section 111 of the Social Security Amendments of 1983 had not been enacted.

(f) The Commissioner of Social Security shall not find that a State has failed to meet the requirements imposed by subsection (a) with respect to the levels of its supplementary payments for the period January 1, 1984, through December 31, 1985, if in the period January 1, 1986, through December 31, 1986, its supplementary payment levels (other than to recipients of benefits determined under section 1611(e)(1)(B)) are not less than those in effect in December 1976, increased by a percentage equal to the percentage by which payments under section 1611(b) of this Act and section 211(a)(1)(A) of Public Law 93-66 have been increased as a result of all adjustments under section 1617(a) and (c) which have occurred after December 1976 and before February 1986.

(g) In order for any State which makes supplementary payments of the type described in section 1616(a) (including payments pursuant to an agreement entered into under section 212(a) of Public Law 93-66) to recipients of benefits determined under section 1611(e)(1)(B), on or after October 1, 1987, to be eligible for payments pursuant to title XIX with respect to any calendar quarter which begins—

(1) after October 1, 1987, or, if later

(2) after the calendar quarter in which it first makes such supplementary payments to recipients of benefits so determined,

such State must have in effect an agreement with the Commissioner of Social Security whereby the State will—

(3) continue to make such supplementary payments to recipients of benefits so determined, and

(4) maintain such supplementary payments to recipients of benefits so determined at levels which assure (with respect to any particular month beginning with the month in which this subsection is first effective) that—

(A) the combined level of such supplementary payments and the amounts payable to or on behalf of such recipients under section 1611(e)(1)(B) for that particular month,

is not less than—

(B) the combined level of such supplementary payments and the amounts payable to or on behalf of such recipients under section 1611(e)(1)(B) for October 1987 (or, if no such supplementary payments were made for that month, the combined level for the first subsequent month for which such payments were made), increased—

(i) in a case to which clause (i) of such section 1611(e)(1)(B) applies or (with respect to the individual or spouse who is in the hospital, home, or facility involved) to which clause (ii) of such section applies, by \$5, and

(ii) in a case to which clause (iii) of such section 1611(e)(1)(B) applies, by \$10.

BENEFITS FOR INDIVIDUALS WHO PERFORM SUBSTANTIAL GAINFUL
ACTIVITY DESPITE SEVERE MEDICAL IMPAIRMENT

SEC. 1619. [42 U.S.C. 1382h] (a)(1) Except as provided in section 1631(j), any individual who was determined to be an eligible individual (or eligible spouse) by reason of being under a disability and was eligible to receive benefits under section 1611 (or a federally administered State supplementary payment) for a month and whose earnings in a subsequent month exceed the amount designated by the Commissioner of Social Security ordinarily to represent substantial gainful activity shall qualify for a monthly benefit under this subsection for such subsequent month (which shall be in lieu of any benefit under section 1611) equal to an amount determined under section 1611(b)(1) (or, in the case of an individual who has an eligible spouse, under section 1611(b)(2)), and for purposes of title XIX shall be considered to be receiving supplemental security income benefits under this title, for so long as—

(A) such individual continues to have the disabling physical or mental impairment on the basis of which such individual was found to be under a disability; and

(B) the income of such individual, other than income excluded pursuant to section 1612(b), is not equal to or in excess of the amount which would cause him to be ineligible for payments under section 1611 and such individual meets all other non-disability-related requirements for eligibility for benefits under this title.

(2) The Commissioner of Social Security shall make a determination under paragraph (1)(A) with respect to an individual not later than 12 months after the first month for which the individual qualifies for a benefit under this subsection.

(b)(1) Except as provided in section 1631(j), for purposes of title XIX, any individual who was determined to be a blind or disabled individual eligible to receive a benefit under section 1611 or any federally administered State supplementary payment for a month and who in a subsequent month is ineligible for benefits under this title (and for any federally administered State supplementary payments) because of his or her income shall, nevertheless, be considered to be receiving supplemental security income benefits for such subsequent month provided that the Commissioner of Social Security determines under regulations that—

(A) such individual continues to be blind or continues to have the disabling physical or mental impairment on the basis of which he was found to be under a disability and, except for his earnings, meets all non-disability-related requirements for eligibility for benefits under this title;

(B) the income of such individual would not, except for his earnings and increases pursuant to section 215(i) in the level of monthly insurance benefits to which the individual is entitled under title II that occur while such individual is considered to be receiving supplemental security income benefits by reason of this subsection, be equal to or in excess of the amount which would cause him to be ineligible for payments under section 1611(b) (if he were otherwise eligible for such payments);

(C) the termination of eligibility for benefits under title XIX would seriously inhibit his ability to continue his employment; and

(D) such individual's earnings are not sufficient to allow him to provide for himself a reasonable equivalent of the benefits under this title (including any federally administered State supplementary payments), benefits under title XIX, and publicly funded attendant care services (including personal care assistance), which would be available to him in the absence of such earnings.

(2)(A) Determinations made under paragraph (1)(D) shall be based on information and data updated no less frequently than annually.

(B) In determining an individual's earnings for purposes of paragraph (1)(D), there shall be excluded from such earnings an amount equal to the sum of any amounts which are or would be excluded under clauses (ii) and (iv) of section 1612(b)(4)(B) (or

under clauses (ii) and (iii) of section 1612(b)(4)(A)) in determining his or her income.

(3) In the case of a State that exercises the option under section 1902(f), any individual who—

(A)(i) qualifies for a benefit under subsection (a), or

(ii) meets the requirements of paragraph (1); and

(B) was eligible for medical assistance under the State plan approved under title XIX in the month immediately preceding the first month in which the individual qualified for a benefit under such subsection or met such requirements, shall remain eligible for medical assistance under such plan for so long as the individual qualifies for a benefit under such subsection or meets such requirements.

(c) Subsection (a)(2) and section 1631(j)(2)(A) shall not be construed, singly or jointly, to require more than 1 determination during any 12-month period with respect to the continuing disability or blindness of an individual.

(d) The Commissioner of Social Security and the Secretary of Education shall jointly develop and disseminate information, and establish training programs for staff personnel, with respect to the potential availability of benefits and services for disabled individuals under the provisions of this section. The Commissioner of Social Security shall provide such information to individuals who are applicants for and recipients of benefits based on disability under this title and shall conduct such programs for the staffs of the district offices of the Social Security Administration. The Secretary of Education shall conduct such programs for the staffs of the State Vocational Rehabilitation agencies, and in cooperation with such agencies shall also provide such information to other appropriate individuals and to public and private organizations and agencies which are concerned with rehabilitation and social services or which represent the disabled.

MEDICAL AND SOCIAL SERVICES FOR CERTAIN HANDICAPPED PERSONS

SEC. 1620. [42 U.S.C. 1382i] (a) There are authorized to be appropriated such sums as may be necessary to establish and carry out a 3-year Federal-State pilot program to provide medical and social services for certain handicapped individuals in accordance with this section.

(b)(1) The total sum of \$18,000,000 shall be allotted to the States for such program by the Commissioner of Social Security, during the period beginning September 1, 1981, and ending September 30, 1984, as follows:

(A) The total sum of \$6,000,000 shall be allotted to the States for the fiscal year ending September 30, 1982 (which for purposes of this section shall include the month of September 1981).

(B) The total sum of \$6,000,000, plus any amount remaining available (after the application of paragraph (4)) from the allotment made under subparagraph (A), shall be allotted to the States for the fiscal year ending September 30, 1983.

(C) The total sum of \$6,000,000, plus any amount remaining available (after the application of paragraph (4)) from the allotments made under subparagraphs (A) and (B), shall be al-

lotted to the States for the fiscal year ending September 30, 1984.

(2) The allotment to each State from the total sum allotted under paragraph (1) for any fiscal year shall bear the same ratio to such total sum as the number of individuals in such State who are over age 17 and under age 65 and are receiving supplemental security income benefits as disabled individuals in such year (as determined by the Commissioner of Social Security on the basis of the most recent data available) bears to the total number of such individuals in all the States. For purposes of the preceding sentence, the term "supplemental security income benefits" includes payments made pursuant to an agreement under section 1616(a) of this Act or under section 212(b) of Public Law 93-66.

(3) At the beginning of each fiscal year in which the pilot program under this section is in effect, each State that does not intend to use the allotment to which it is entitled for such year (or any allotment which was made to it for a prior fiscal year), or that does not intend to use the full amount of any such allotment, shall certify to the Commissioner of Social Security the amount of such allotment which it does not intend to use, and the State's allotment for the fiscal year (or years) involved shall thereupon be reduced by the amount so certified.

(4) The portion of the total amount available for allotment for any particular fiscal year under paragraph (1) which is not allotted to States for that year by reason of paragraph (3) (plus the amount of any reductions made at the beginning of such year in the allotments of States for prior fiscal years under paragraph (3)) shall be reallocated in such manner as the Commissioner of Social Security may determine to be appropriate to States which need, and will use, additional assistance in providing services to severely handicapped individuals in that particular year under their approved plans. Any amount reallocated to a State under this paragraph for use in a particular fiscal year shall be treated for purposes of this section as increasing such State's allotment for that year by an equivalent amount.

(c) In order to participate in the pilot program and be eligible to receive payments for any period under subsection (d), a State (during such period) must have a plan, approved by the Commissioner of Social Security as meeting the requirements of this section, which provides medical and social services for severely handicapped individuals whose earnings are above the level which ordinarily demonstrates an ability to engage in substantial gainful activity and who are not receiving benefits under section 1611 or 1619 or assistance under a State plan approved under section 1902, and which—

(1) declares the intent of the State to participate in the pilot program;

(2) designates an appropriate State agency to administer or supervise the administration of the program in the State;

(3) describes the criteria to be applied by the State in determining the eligibility of any individual for assistance under the plan and in any event requires a determination by the State agency to the effect that (A) such individual's ability to continue his employment would be significantly inhibited with-

out such assistance and (B) such individual's earnings are not sufficient to allow him to provide for himself a reasonable equivalent of the cash and other benefits that would be available to him under this title and titles XIX and XX in the absence of those earnings;

(4) describes the process by which the eligibility of individuals for such assistance is to be determined (and such process may not involve the performance of functions by any State agency or entity which is engaged in making determinations of disability for purposes of disability insurance or supplemental security income benefits except when the use of a different agency or entity to perform those functions would not be feasible);

(5) describes the medical and social services to be provided under the plan;

(6) describes the manner in which the medical and social services involved are to be provided and, if they are not to be provided through the State's medical assistance and social services programs under titles XIX and XX (with the Federal payments being made under subsection (d) of this section rather than under those titles), specifies the particular mechanisms and procedures to be used in providing such services; and

(7) contains such other provisions as the Commissioner of Social Security may find to be necessary or appropriate to meet the requirements of this section or otherwise carry out its purpose.

(d)(1) From its allotment under subsection (b) for any fiscal year (and any amounts remaining available from allotments made to it for prior fiscal years), the Commissioner of Social Security shall from time to time pay to each State which has a plan approved under subsection (c) an amount equal to 75 per centum of the total sum expended under such plan (including the cost of administration of such plan) in providing medical and social services to severely handicapped individuals who are eligible for such services under the plan.

(2) The method of computing and making payments under this section shall be as follows:

(A) The Commissioner of Social Security shall, prior to each period for which a payment is to be made to a State, estimate the amount to be paid to the State for such period under the provisions of this section.

(B) From the allotment available therefor, the Commissioner of Social Security shall pay the amount so estimated, reduced or increased, as the case may be, by any sum (not previously adjusted under this subsection) by which he finds that his estimate of the amount to be paid the State for any prior period under this section was greater or less than the amount which should have been paid to the State for such period under this section.

(e) Within nine months after the date of the enactment of this section, the Commissioner of Social Security shall prescribe and publish such regulations as may be necessary or appropriate to carry out the pilot program and otherwise implement this section.

(f) Each State participating in the pilot program under this section shall from time to time report to the Commissioner of Social Security on the operation and results of such program in that State, with particular emphasis upon the work incentive effects of the program. On or before October 1, 1983, the Commissioner of Social Security shall submit to the Congress a report on the program, incorporating the information contained in the State reports along with his findings and recommendations.

ATTRIBUTION OF SPONSOR'S INCOME AND RESOURCES TO ALIENS

SEC. 1621. [42 U.S.C. 1382j] (a) For purposes of determining eligibility for and the amount of benefits under this title for an individual who is an alien, the income and resources of any person who (as a sponsor of such individual's entry into the United States) executed an affidavit of support or similar agreement with respect to such individual, and the income and resources of the sponsor's spouse, shall be deemed to be the income and resources of such individual (in accordance with subsections (b) and (c)) for a period of 5 years after the individual's entry into the United States. Any such income deemed to be income of such individual shall be treated as unearned income of such individual.

(b)(1) The amount of income of a sponsor (and his spouse) which shall be deemed to be the unearned income of an alien for any year shall be determined as follows:

(A) The total yearly rate of earned and unearned income (as determined under section 1612(a)) of such sponsor and such sponsor's spouse (if such spouse is living with the sponsor) shall be determined for such year.

(B) The amount determined under subparagraph (A) shall be reduced by an amount equal to (i) the maximum amount of the Federal benefit under this title for such year which would be payable to an eligible individual who has no other income and who does not have an eligible spouse (as determined under section 1611(b)(1)), plus (ii) one-half of the amount determined under clause (i) multiplied by the number of individuals who are dependents of such sponsor (or such sponsor's spouse if such spouse is living with the sponsor), other than such alien and such alien's spouse.

(C) The amount of income which shall be deemed to be unearned income of such alien shall be at a yearly rate equal to the amount determined under subparagraph (B). The period for determination of such amount shall be the same as the period for determination of benefits under section 1611(c).

(2) The amount of resources of a sponsor (and his spouse) which shall be deemed to be the resources of an alien for any year shall be determined as follows:

(A) The total amount of the resources (as determined under section 1613) of such sponsor and such sponsor's spouse (if such spouse is living with the sponsor) shall be determined.

(B) The amount determined under subparagraph (A) shall be reduced by an amount equal to (i) the applicable amount determined under section 1611(a)(3)(B) in the case of a sponsor who has no spouse with whom he is living, or (ii) the applica-

ble amount determined under section 1611(a)(3)(A) in the case of a sponsor who has a spouse with whom he is living.

(C) The resources of such sponsor (and spouse) as determined under subparagraphs (A) and (B) shall be deemed to be resources of such alien in addition to any resources of such alien.

(c) In determining the amount of income of an alien during the period of 5 years after such alien's entry into the United States, the reduction in dollar amounts otherwise required under section 1612(a)(2)(A)(i) shall not be applicable if such alien is living in the household of a person who is a sponsor (or such sponsor's spouse) of such alien, and is receiving support and maintenance in kind from such sponsor (or spouse), nor shall support or maintenance furnished in cash or kind to an alien by such alien's sponsor (to the extent that it reflects income or resources which were taken into account in determining the amount of income and resources to be deemed to the alien under subsection (a) or (b)) be considered to be income of such alien under section 1612(a)(2)(A).

(d)(1) Any individual who is an alien shall, during the period of 5 years after entry into the United States, in order to be an eligible individual or eligible spouse for purposes of this title, be required to provide to the Commissioner of Social Security such information and documentation with respect to his sponsor as may be necessary in order for the Commissioner of Social Security to make any determination required under this section, and to obtain any cooperation from such sponsor necessary for any such determination. Such alien shall also be required to provide to the Commissioner of Social Security such information and documentation as the Commissioner of Social Security may request and which such alien or his sponsor provided in support of such alien's immigration application.

(2) The Commissioner of Social Security shall enter into agreements with the Secretary of State and the Attorney General whereby any information available to such persons and required in order to make any determination under this section will be provided by such persons to the Commissioner of Social Security, and whereby such persons shall inform any sponsor of an alien, at the time such sponsor executes an affidavit of support or similar agreement, of the requirements imposed by this section.

(e) Any sponsor of an alien, and such alien, shall be jointly and severally liable for an amount equal to any overpayment made to such alien during the period of 5 years after such alien's entry into the United States, on account of such sponsor's failure to provide correct information under the provisions of this section, except where such sponsor was without fault, or where good cause for such failure existed. Any such overpayment which is not repaid to the Commissioner of Social Security or recovered in accordance with section 1631(b) shall be withheld from any subsequent payment to which such alien or such sponsor is entitled under any provision of this Act.

(f)(1) The provisions of this section shall not apply with respect to any individual who is an "aged, blind, or disabled individual" for purposes of this title by reason of blindness (as determined under section 1614(a)(2)) or disability (as determined under section

1614(a)(3)), from and after the onset of the impairment, if such blindness or disability commenced after the date of such individual's admission into the United States for permanent residence.

(2) The provisions of this section shall not apply with respect to any alien who is—

(A) admitted to the United States as a result of the application, prior to April 1, 1980, of the provisions of section 203(a)(7) of the Immigration and Nationality Act;

(B) admitted to the United States as a result of the application, after March 31, 1980, of the provisions of section 207(c)(1) of such Act;

(C) paroled into the United States as a refugee under section 212(d)(5) of such Act; or

(D) granted political asylum by the Attorney General.

Payment of Benefits

SEC. 1631. [42 U.S.C. 1383] (a)(1) Benefits under this title shall be paid at such time or times and (subject to paragraph (10)) in such installments as will best effectuate the purposes of this title, as determined under regulations (and may in any case be paid less frequently than monthly where the amount of the monthly benefit would not exceed \$10).

(2)(A)(i) Payments of the benefit of any individual may be made to any such individual or to the eligible spouse (if any) of such individual or partly to each.

(ii)(I) Upon a determination by the Commissioner of Social Security that the interest of such individual would be served thereby, such payments shall be made, regardless of the legal competency or incompetency of the individual or eligible spouse, to another individual, or an organization, with respect to whom the requirements of subparagraph (B) have been met (in this paragraph referred to as such individual's "representative payee") for the use and benefit of the individual or eligible spouse.

(II) In the case of an individual eligible for benefits under this title by reason of disability, the payment of such benefits shall be made to a representative payee if the Commissioner of Social Security determines that such payment would serve the interest of the individual because the individual also has an alcoholism or drug addiction condition (as determined by the Commissioner) and the individual is incapable of managing such benefits.

(iii) If the Commissioner of Social Security or a court of competent jurisdiction determines that the representative payee of an individual or eligible spouse has misused any benefits which have been paid to the representative payee pursuant to clause (ii) or section 205(j)(1) or 807, the Commissioner of Social Security shall promptly terminate payment of benefits to the representative payee pursuant to this subparagraph, and provide for payment of benefits to an alternative representative payee of the individual or eligible spouse or, if the interest of the individual under this title would be served thereby, to the individual or eligible spouse.

(iv) For purposes of this paragraph, misuse of benefits by a representative payee occurs in any case in which the representative payee receives payment under this title for the use and benefit of another person and converts such payment, or any part thereof, to a use other than for the use and benefit of such other person. The Commissioner of Social Security may prescribe by regulation the meaning of the term “use and benefit” for purposes of this clause.

(B)(i) Any determination made under subparagraph (A) for payment of benefits to the representative payee of an individual or eligible spouse shall be made on the basis of—

(I) an investigation by the Commissioner of Social Security of the person to serve as representative payee, which shall be conducted in advance of such payment, and shall, to the extent practicable, include a face-to-face interview with such person; and

(II) adequate evidence that such payment is in the interest of the individual or eligible spouse (as determined by the Commissioner of Social Security in regulations).

(ii) As part of the investigation referred to in clause (i)(I), the Commissioner of Social Security shall—

(I) require the person being investigated to submit documented proof of the identity of such person, unless information establishing such identity was submitted with an application for benefits under title II, title VIII, or this title;

(II) verify the social security account number (or employer identification number) of such person;

(III) determine whether such person has been convicted of a violation of section 208, 811, or 1632;

(IV) obtain information concerning whether the person has been convicted of any other offense under Federal or State law which resulted in imprisonment for more than 1 year;

(V) obtain information concerning whether such person is a person described in section 1611(e)(4)(A);

(VI) determine whether payment of benefits to such person has been terminated pursuant to subparagraph (A)(iii), whether the designation of such person as a representative payee has been revoked pursuant to section 807(a), and whether certification of payment of benefits to such person has been revoked pursuant to section 205(j), by reason of misuse of funds paid as benefits under title II, title VIII, or this title, and

(VII) determine whether such person has been convicted (and not subsequently exonerated), under Federal or State law, of a felony provided under clause (xv), or of an attempt or a conspiracy to commit such a felony.

(iii) Benefits of an individual may not be paid to any other person pursuant to subparagraph (A)(ii) if—

(I) such person has previously been convicted as described in clause (ii)(III);

(II) except as provided in clause (iv), payment of benefits to such person pursuant to subparagraph (A)(ii) has previously been terminated as described in clause (ii)(VI), the designation of such person as a representative payee has been revoked pursuant to section 807(a), or certification of payment of benefits

to such person under section 205(j) has previously been revoked as described in section 205(j)(2)(B)(i)(VI);

(III) except as provided in clause (v), such person is a creditor of such individual who provides such individual with goods or services for consideration;

(IV) the person has previously been convicted as described in clause (ii)(IV) of this subparagraph, unless the Commissioner determines that the payment would be appropriate notwithstanding the conviction;

(V) such person is a person described in section 1611(e)(4)(A),

(VI) except as provided in clause (xvii), such person has previously been convicted (and not subsequently exonerated) as described in clause (ii)(VII), or

(VII) such person's benefits under this title, title II, or title VIII are certified for payment to a representative payee during the period for which the individual's benefits would be certified for payment to another person.

(iv) The Commissioner of Social Security shall prescribe regulations under which the Commissioner of Social Security may grant an exemption from clause (iii)(II) to any person on a case-by-case basis if such exemption would be in the best interest of the individual or eligible spouse whose benefits under this title would be paid to such person pursuant to subparagraph (A)(ii).

(v) Clause (iii)(III) shall not apply with respect to any person who is a creditor referred to therein if such creditor is—

(I) a relative of such individual if such relative resides in the same household as such individual;

(II) a legal guardian or legal representative of such individual;

(III) a facility that is licensed or certified as a care facility under the law of a State or a political subdivision of a State;

(IV) a person who is an administrator, owner, or employee of a facility referred to in subclause (III) if such individual resides in such facility, and the payment of benefits under this title to such facility or such person is made only after good faith efforts have been made by the local servicing office of the Social Security Administration to locate an alternative representative payee to whom the payment of such benefits would serve the best interests of such individual; or

(V) an individual who is determined by the Commissioner of Social Security, on the basis of written findings and under procedures which the Commissioner of Social Security shall prescribe by regulation, to be acceptable to serve as a representative payee.

(vi) The procedures referred to in clause (v)(V) shall require the individual who will serve as representative payee to establish, to the satisfaction of the Commissioner of Social Security, that—

(I) such individual poses no risk to the beneficiary;

(II) the financial relationship of such individual to the beneficiary poses no substantial conflict of interest; and

(III) no other more suitable representative payee can be found.

(vii) In the case of an individual described in subparagraph (A)(ii)(II), when selecting such individual's representative payee, preference shall be given to—

(I) a certified community-based nonprofit social service agency (as defined in subparagraph (I));

(II) a Federal, State, or local government agency whose mission is to carry out income maintenance, social service, or health care-related activities;

(III) a State or local government agency with fiduciary responsibilities; or

(IV) a designee of an agency (other than of a Federal agency) referred to in the preceding subclauses of this clause, if the Commissioner of Social Security deems it appropriate,

unless the Commissioner of Social Security determines that selection of a family member would be appropriate.

(viii) Subject to clause (ix), if the Commissioner of Social Security makes a determination described in subparagraph (A)(ii) with respect to any individual's benefit and determines that direct payment of the benefit to the individual would cause substantial harm to the individual, the Commissioner of Social Security may defer (in the case of initial entitlement) or suspend (in the case of existing entitlement) direct payment of such benefit to the individual, until such time as the selection of a representative payee is made pursuant to this subparagraph.

(ix)(I) Except as provided in subclause (II), any deferral or suspension of direct payment of a benefit pursuant to clause (viii) shall be for a period of not more than 1 month.

(II) Subclause (I) shall not apply in any case in which the individual or eligible spouse is, as of the date of the Commissioner's determination, legally incompetent, under the age of 15 years, or described in subparagraph (A)(ii)(II).

(x) Payment pursuant to this subparagraph of any benefits which are deferred or suspended pending the selection of a representative payee shall be made to the individual, or to the representative payee upon such selection, as a single sum or over such period of time as the Commissioner of Social Security determines is in the best interests of the individual entitled to such benefits.

(xi) Any individual who is dissatisfied with a determination by the Commissioner of Social Security to pay such individual's benefits to a representative payee under this title, or with the designation of a particular person to serve as representative payee, shall be entitled to a hearing by the Commissioner of Social Security, and to judicial review of the Commissioner's final decision, to the same extent as is provided in subsection (c).

(xii) In advance of the first payment of an individual's benefit to a representative payee under subparagraph (A)(ii), the Commissioner of Social Security shall provide written notice of the Commissioner's initial determination to make any such payment. Such notice shall be provided to such individual, except that, if such individual—

(I) is under the age of 15,

(II) is an unemancipated minor under the age of 18, or

(III) is legally incompetent,

then such notice shall be provided solely to the legal guardian or legal representative of such individual.

(xiii) Any notice described in clause (xii) shall be clearly written in language that is easily understandable to the reader, shall identify the person to be designated as such individual's representative payee, and shall explain to the reader the right under clause (xi) of such individual or of such individual's legal guardian or legal representative—

(I) to appeal a determination that a representative payee is necessary for such individual,

(II) to appeal the designation of a particular person to serve as the representative payee of such individual, and

(III) to review the evidence upon which such designation is based and submit additional evidence.

(xiv) Notwithstanding the provisions of section 552a of title 5, United States Code, or any other provision of Federal or State law (other than section 6103 of the Internal Revenue Code of 1986 and section 1106(c) of this Act), the Commissioner shall furnish any Federal, State, or local law enforcement officer, upon the written request of the officer, with the current address, social security account number, and photograph (if applicable) of any person investigated under this subparagraph, if the officer furnishes the Commissioner with the name of such person and such other identifying information as may reasonably be required by the Commissioner to establish the unique identity of such person, and notifies the Commissioner that—

(I) such person is described in section 1611(e)(4)(A),

(II) such person has information that is necessary for the officer to conduct the officer's official duties, and

(III) the location or apprehension of such person is within the officer's official duties.

(xv) The felony crimes provided under this clause, whether an offense under State or Federal law, are the following:

(I) Human trafficking, including as prohibited under sections 1590 and 1591 of title 18, United States Code.

(II) False imprisonment, including as prohibited under section 1201 of title 18, United States Code.

(III) Kidnapping, including as prohibited under section 1201 of title 18, United States Code.

(IV) Rape and sexual assault, including as prohibited under sections 2241, 2242, 2243, and 2244 of title 18, United States Code.

(V) First-degree homicide, including as prohibited under section 1111 of title 18, United States Code.

(VI) Robbery, including as prohibited under section 2111 of title 18, United States Code.

(VII) Fraud to obtain access to government assistance, including as prohibited under sections 287, 1001, and 1343 of title 18, United States Code.

(VIII) Fraud by scheme, including as prohibited under section 1343 of title 18, United States Code.

(IX) Theft of government funds or property, including as prohibited under section 641 of title 18, United States Code.

(X) Abuse or neglect, including as prohibited under sections 111, 113, 114, 115, 116, or 117 of title 18, United States Code.

(XI) Forgery, including as prohibited under section 642 and chapter 25 (except section 512) of title 18, United States Code.

(XII) Identity theft or identity fraud, including as prohibited under sections 1028 and 1028A of title 18, United States Code.

The Commissioner of Social Security may promulgate regulations to provide for additional felony crimes under this clause.

(xvi)(I) For the purpose of carrying out the activities required under clause (ii) as part of the investigation under clause (i)(I), the Commissioner may conduct a background check of any individual seeking to serve as a representative payee under this subsection and may disqualify from service as a representative payee any such individual who fails to grant permission for the Commissioner to conduct such a background check.

(II) The Commissioner may revoke certification of payment of benefits under this subsection to any individual serving as a representative payee on or after January 1, 2019 who fails to grant permission for the Commissioner to conduct such a background check.

(xvii)(I) With respect to any person described in subclause (II)—

(aa) clause (ii)(VII) shall not apply; and

(bb) the Commissioner may grant an exemption from the provisions of clause (iii)(VI) if the Commissioner determines that such exemption is in the best interest of the individual entitled to benefits.

(II) A person is described in this subclause if the person—

(aa) is the custodial parent of a minor child for whom the person applies to serve;

(bb) is the custodial spouse of the beneficiary for whom the person applies to serve;

(cc) is the custodial parent of a beneficiary who is under a disability which began before the beneficiary attained the age of 22, for whom the person applies to serve;

(dd) is the custodial court appointed guardian of the beneficiary for whom the person applies to serve;

(ee) is the custodial grandparent of a minor grandchild for whom the person applies to serve;

(ff) is the parent who was previously representative payee for his or her minor child who has since turned 18 and continues to be eligible for such benefit; or

(gg) received a presidential or gubernatorial pardon for the relevant conviction.

(C)(i) In any case where payment is made under this title to a representative payee of an individual or spouse, the Commissioner of Social Security shall establish a system of accountability monitoring whereby such person shall report not less often than annually with respect to the use of such payments. The Commissioner of Social Security shall establish and implement statistically valid procedures for reviewing such reports in order to identify in-

stances in which such persons are not properly using such payments.

(ii) Clause (i) shall not apply in any case where the representative payee is a State institution. In such cases, the Commissioner of Social Security shall establish a system of accountability monitoring for institutions in each State.

(iii) Clause (i) shall not apply in any case where the individual entitled to such payment is a resident of a Federal institution and the representative payee is the institution.

(iv)¹³(I) Clause (i) shall not apply in any case where the representative payee is—

(aa) a parent, or other individual who is a legal guardian of, a minor child entitled to such payment who primarily resides in the same household;

(bb) a parent of an individual entitled to such payment who is under a disability who primarily resides in the same household; or

(cc) the spouse of the individual entitled to such payment.

(II) The Commissioner of Social Security shall establish and implement procedures as necessary for the Commissioner to determine the eligibility of such parties for the exemption provided in subclause (I). The Commissioner shall prescribe such regulations as may be necessary to determine eligibility for such exemption.

(v) Notwithstanding clauses (i), (ii), (iii), and (iv), the Commissioner of Social Security may require a report at any time from any representative payee, if the Commissioner of Social Security has reason to believe that the representative payee is misusing such payments.

(vi) In any case in which the person described in clause (i) or (v) receiving payments on behalf of another fails to submit a report required by the Commissioner of Social Security under clause (i) or (v), the Commissioner may, after furnishing notice to the person and the individual entitled to the payment, require that such person appear in person at a field office of the Social Security Administration serving the area in which the individual resides in order to receive such payments.

(D)(i) Except as provided in the next sentence, a qualified organization may collect from an individual a monthly fee for expenses (including overhead) incurred by such organization in providing services performed as such individual's representative payee pursuant to subparagraph (A)(ii) if the fee does not exceed the lesser of—

(I) 10 percent of the monthly benefit involved, or

(II) \$25.00 per month (\$50.00 per month in any case in which an individual is described in subparagraph (A)(ii)(II)).

A qualified organization may not collect a fee from an individual for any month with respect to which the Commissioner of Social Security or a court of competent jurisdiction has determined that the organization misused all or part of the individual's benefit, and any amount so collected by the qualified organization for such month shall be treated as a misused part

¹³Margin for clause (iv) is so in law.

of the individual's benefit for purposes of subparagraphs (E) and (F). The Commissioner of Social Security shall adjust annually (after 1995) each dollar amount set forth in subclause (II) of this clause under procedures providing for adjustments in the same manner and to the same extent as adjustments are provided for under the procedures used to adjust benefit amounts under section 215(i)(2)(A), except that any amount so adjusted that is not a multiple of \$1.00 shall be rounded to the nearest multiple of \$1.00. Any agreement providing for a fee in excess of the amount permitted under this clause shall be void and shall be treated as misuse by the organization of such individual's benefits.

(ii) For purposes of this subparagraph, the term "qualified organization" means any State or local government agency whose mission is to carry out income maintenance, social service, or health care-related activities, any State or local government agency with fiduciary responsibilities, or any certified community-based nonprofit social service agency (as defined in subparagraph (I)), if the agency, in accordance with any applicable regulations of the Commissioner of Social Security—

(I) regularly provides services as a representative payee pursuant to subparagraph (A)(ii) or section 205(j)(4) or 807 concurrently to 5 or more individuals; and

(II) demonstrates to the satisfaction of the Commissioner of Social Security that such agency is not otherwise a creditor of any such individual.

The Commissioner of Social Security shall prescribe regulations under which the Commissioner of Social Security may grant an exception from subclause (II) for any individual on a case-by-case basis if such exception is in the best interests of such individual.

(iii) Any qualified organization which knowingly charges or collects, directly or indirectly, any fee in excess of the maximum fee prescribed under clause (i) or makes any agreement, directly or indirectly, to charge or collect any fee in excess of such maximum fee, shall be fined in accordance with title 18, United States Code, or imprisoned not more than 6 months, or both.

(iv) In the case of an individual who is no longer eligible for benefits under this title but to whom any amount of past-due benefits under this title has not been paid, for purposes of clause (i), any amount of such past-due benefits payable in any month shall be treated as a monthly benefit referred to in clause (i)(I).

(E) RESTITUTION.—In cases where the negligent failure of the Commissioner of Social Security to investigate or monitor a representative payee results in misuse of benefits by the representative payee, the Commissioner of Social Security shall make payment to the beneficiary or the beneficiary's representative payee of an amount equal to such misused benefits. In any case in which a representative payee that—

(i) is not an individual (regardless of whether it is a "qualified organization" within the meaning of subparagraph (D)(ii)); or

(ii) is an individual who, for any month during a period when misuse occurs, serves 15 or more individuals who are

beneficiaries under this title, title II, title VIII, or any combination of such titles;
 misuses all or part of an individual's benefit paid to such representative payee, the Commissioner of Social Security shall pay to the beneficiary or the beneficiary's alternative representative payee an amount equal to the amount of such benefit so misused. The provisions of this subparagraph are subject to the limitations of subparagraph (H)(ii). The Commissioner of Social Security shall make a good faith effort to obtain restitution from the terminated representative payee.

(F)(i)(I) Each representative payee of an eligible individual under the age of 18 who is eligible for the payment of benefits described in subclause (II) shall establish on behalf of such individual an account in a financial institution into which such benefits shall be paid, and shall thereafter maintain such account for use in accordance with clause (ii).

(II) Benefits described in this subclause are past-due monthly benefits under this title (which, for purposes of this subclause, include State supplementary payments made by the Commissioner pursuant to an agreement under section 1616 or section 212(b) of Public Law 93-66) in an amount (after any withholding by the Commissioner for reimbursement to a State for interim assistance under subsection (g) and payment of attorney fees under subsection (d)(2)(B)) that exceeds the product of—

(aa) 6, and

(bb) the maximum monthly benefit payable under this title to an eligible individual.

(ii)(I) A representative payee shall use funds in the account established under clause (i) to pay for allowable expenses described in subclause (II).

(II) An allowable expense described in this subclause is an expense for—

(aa) education or job skills training;

(bb) personal needs assistance;

(cc) special equipment;

(dd) housing modification;

(ee) medical treatment;

(ff) therapy or rehabilitation; or

(gg) any other item or service that the Commissioner determines to be appropriate;

provided that such expense benefits such individual and, in the case of an expense described in item (bb), (cc), (dd), (ff), or (gg), is related to the impairment (or combination of impairments) of such individual.

(III) The use of funds from an account established under clause (i) in any manner not authorized by this clause—

(aa) by a representative payee shall be considered a misapplication of benefits for all purposes of this paragraph, and any representative payee who knowingly misapplies benefits from such an account shall be liable to the Commissioner in an amount equal to the total amount of such benefits; and

(bb) by an eligible individual who is his or her own payee shall be considered a misapplication of benefits for all purposes of this paragraph and in any case in which the individual

knowingly misapplies benefits from such an account, the Commissioner shall reduce future benefits payable to such individual (or to such individual and his spouse) by an amount equal to the total amount of such benefits so misapplied.

(IV) This clause shall continue to apply to funds in the account after the child has reached age 18, regardless of whether benefits are paid directly to the beneficiary or through a representative payee.

(iii) The representative payee may deposit into the account established under clause (i) any other funds representing past due benefits under this title to the eligible individual, provided that the amount of such past due benefits is equal to or exceeds the maximum monthly benefit payable under this title to an eligible individual (including State supplementary payments made by the Commissioner pursuant to an agreement under section 1616 or section 212(b) of Public Law 93-66).

(iv) The Commissioner of Social Security shall establish a system for accountability monitoring whereby such representative payee shall report, at such time and in such manner as the Commissioner shall require, on activity respecting funds in the account established pursuant to clause (i).

(G)(i) In addition to such other reviews of representative payees as the Commissioner of Social Security may otherwise conduct, the Commissioner shall provide for the periodic onsite review of any person or agency that receives the benefits payable under this title (alone or in combination with benefits payable under title II or title VIII) to another individual pursuant to the appointment of the person or agency as a representative payee under this paragraph, section 205(j), or section 807 in any case in which—

(I) the representative payee is a person who serves in that capacity with respect to 15 or more such individuals;

(II) the representative payee is a certified community-based nonprofit social service agency (as defined in subparagraph (I) of this paragraph or section 205(j)(10)); or

(III) the representative payee is an agency (other than an agency described in subclause (II)) that serves in that capacity with respect to 50 or more such individuals.

(ii) Within 120 days after the end of each fiscal year, the Commissioner shall submit to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate a report on the results of periodic onsite reviews conducted during the fiscal year pursuant to clause (i) and of any other reviews of representative payees conducted during such fiscal year in connection with benefits under this title. Each such report shall describe in detail all problems identified in the reviews and any corrective action taken or planned to be taken to correct the problems, and shall include—

(I) the number of the reviews;

(II) the results of such reviews;

(III) the number of cases in which the representative payee was changed and why;

(IV) the number of cases involving the exercise of expedited, targeted oversight of the representative payee by the

Commissioner conducted upon receipt of an allegation of misuse of funds, failure to pay a vendor, or a similar irregularity;

(V) the number of cases discovered in which there was a misuse of funds;

(VI) how any such cases of misuse of funds were dealt with by the Commissioner;

(VII) the final disposition of such cases of misuse of funds, including any criminal penalties imposed; and

(VIII) such other information as the Commissioner deems appropriate.

(H)(i) If the Commissioner of Social Security or a court of competent jurisdiction determines that a representative payee that is not a Federal, State, or local government agency has misused all or part of an individual's benefit that was paid to the representative payee under this paragraph, the representative payee shall be liable for the amount misused, and the amount (to the extent not repaid by the representative payee) shall be treated as an overpayment of benefits under this title to the representative payee for all purposes of this Act and related laws pertaining to the recovery of the overpayments. Subject to clause (ii), upon recovering all or any part of the amount, the Commissioner shall make payment of an amount equal to the recovered amount to such individual or such individual's alternative representative payee.

(ii) The total of the amount paid to such individual or such individual's alternative representative payee under clause (i) and the amount paid under subparagraph (E) may not exceed the total benefit amount misused by the representative payee with respect to such individual.

(I) For purposes of this paragraph, the term "certified community-based nonprofit social service agency" means a community-based nonprofit social service agency which is in compliance with requirements, under regulations which shall be prescribed by the Commissioner, for annual certification to the Commissioner that it is bonded in accordance with requirements specified by the Commissioner and that it is licensed in each State in which it serves as a representative payee (if licensing is available in the State) in accordance with requirements specified by the Commissioner. Any such annual certification shall include a copy of any independent audit on the agency which may have been performed since the previous certification.

(3) The Commissioner of Social Security may by regulations establish ranges of incomes within which a single amount of benefits under this title shall apply.

(4) The Commissioner of Social Security—

(A) may make to any individual initially applying for benefits under this title who is presumptively eligible for such benefits for the month following the date the application is filed and who is faced with financial emergency a cash advance against such benefits, including any federally-administered State supplementary payments, in an amount not exceeding the monthly amount that would be payable to an eligible individual with no other income for the first month of such presumptive eligibility, which shall be repaid through propor-

tionate reductions in such benefits over a period of not more than 6 months; and

(B) may pay benefits under this title to an individual applying for such benefits on the basis of disability or blindness for a period not exceeding 6 months prior to the determination of such individual's disability or blindness, if such individual is presumptively disabled or blind and is determined to be otherwise eligible for such benefits, and any benefits so paid prior to such determination shall in no event be considered overpayments for purposes of subsection (b) solely because such individual is determined not to be disabled or blind.

(5) Payment of the benefit of any individual who is an aged, blind, or disabled individual solely by reason of blindness (as determined under section 1614(a)(2)) or disability (as determined under section 1614(a)(3)), and who ceases to be blind or to be under such disability, shall continue (so long as such individual is otherwise eligible) through the second month following the month in which such blindness or disability ceases.

(6) Notwithstanding any other provision of this title, payment of the benefit of any individual who is an aged, blind, or disabled individual solely by reason of blindness (as determined under section 1614(a)(2)) or disability (as determined under section 1614(a)(3)) shall not be terminated or suspended because the blindness or other physical or mental impairment, on which the individual's eligibility for such benefit is based, has or may have ceased, if—

(A) such individual is participating in a program consisting of the Ticket to Work and Self-Sufficiency Program under section 1148 or another program of vocational rehabilitation services, employment services, or other support services approved by the Commissioner of Social Security, and,

(B) the Commissioner of Social Security determines that the completion of such program, or its continuation for a specified period of time, will increase the likelihood that such individual may (following his participation in such program) be permanently removed from the blindness and disability benefit rolls.

(7)(A) In any case where—

(i) an individual is a recipient of benefits based on disability or blindness under this title,

(ii) the physical or mental impairment on the basis of which such benefits are payable is found to have ceased, not to have existed, or to no longer be disabling, and as a consequence such individual is determined not to be entitled to such benefits, and

(iii) a timely request for review or for a hearing is pending with respect to the determination that he is not so entitled, such individual may elect (in such manner and form and within such time as the Commissioner of Social Security shall by regulations prescribe) to have the payment of such benefits continued for an additional period beginning with the first month beginning after the date of the enactment of this paragraph for which (under such determination) such benefits are no longer otherwise payable, and ending with the earlier of (I) the month preceding the month in

which a decision is made after such a hearing, or (II) the month preceding the month in which no such request for review or a hearing is pending.

(B)(i) If an individual elects to have the payment of his benefits continued for an additional period under subparagraph (A), and the final decision of the Commissioner of Social Security affirms the determination that he is not entitled to such benefits, any benefits paid under this title pursuant to such election (for months in such additional period) shall be considered overpayments for all purposes of this title, except as otherwise provided in clause (ii).

(ii) If the Commissioner of Social Security determines that the individual's appeal of his termination of benefits was made in good faith, all of the benefits paid pursuant to such individual's election under subparagraph (A) shall be subject to waiver consideration under the provisions of subsection (b)(1).

(C) The provisions of subparagraphs (A) and (B) shall apply with respect to determinations (that individuals are not entitled to benefits) which are made on or after the date of the enactment of this paragraph, or prior to such date but only on the basis of a timely request for review or for a hearing.

(8)(A) In any case in which an administrative law judge has determined after a hearing as provided in subsection (c) that an individual is entitled to benefits based on disability or blindness under this title and the Commissioner of Social Security has not issued his final decision in such case within 110 days after the date of the administrative law judge's determination, such benefits shall be currently paid for the months during the period beginning with the month in which such 110-day period expires and ending with the month in which such final decision is issued.

(B) For purposes of subparagraph (A), in determining whether the 110-day period referred to in subparagraph (A) has elapsed, any period of time for which the action or inaction of such individual or such individual's representative without good cause results in the delay in the issuance of the Commissioner's final decision shall not be taken into account to the extent that such period of time exceeds 20 calendar days.

(C) Any benefits currently paid under this title pursuant to this paragraph (for the months described in subparagraph (A)) shall not be considered overpayments for any purposes of this title, unless payment of such benefits was fraudulently obtained.

(9) Benefits under this title shall not be denied to any individual solely by reason of the refusal of the individual to accept an amount offered as compensation for a crime of which the individual was a victim.

(10)(A) If an individual is eligible for past-due monthly benefits under this title in an amount that (after any withholding for reimbursement to a State for interim assistance under subsection (g) and payment of attorney fees under subsection (d)(2)(B)) equals or exceeds the product of—

(i) 3, and

(ii) the maximum monthly benefit payable under this title to an eligible individual (or, if appropriate, to an eligible individual and eligible spouse),

then the payment of such past-due benefits (after any such reimbursement to a State and payment of attorney fees under subsection (d)(2)(B)) shall be made in installments as provided in subparagraph (B).

(B)(i) The payment of past-due benefits subject to this subparagraph shall be made in not to exceed 3 installments that are made at 6-month intervals.

(ii) Except as provided in clause (iii), the amount of each of the first and second installments may not exceed an amount equal to the product of clauses (i) and (ii) of subparagraph (A).

(iii) In the case of an individual who has—

(I) outstanding debt attributable to—

(aa) food,

(bb) clothing,

(cc) shelter, or

(dd) medically necessary services, supplies or equipment, or medicine; or

(II) current expenses or expenses anticipated in the near term attributable to—

(aa) medically necessary services, supplies or equipment, or medicine, or

(bb) the purchase of a home, and

such debt or expenses are not subject to reimbursement by a public assistance program, the Secretary under title XVIII, a State plan approved under title XIX, or any private entity legally liable to provide payment pursuant to an insurance policy, pre-paid plan, or other arrangement, the limitation specified in clause (ii) may be exceeded by an amount equal to the total of such debt and expenses.

(C) This paragraph shall not apply to any individual who, at the time of the Commissioner's determination that such individual is eligible for the payment of past-due monthly benefits under this title—

(i) is afflicted with a medically determinable impairment that is expected to result in death within 12 months; or

(ii) is ineligible for benefits under this title and the Commissioner determines that such individual is likely to remain ineligible for the next 12 months.

(D) For purposes of this paragraph, the term “benefits under this title” includes supplementary payments pursuant to an agreement for Federal administration under section 1616(a), and payments pursuant to an agreement entered into under section 212(b) of Public Law 93–66.

Overpayments and Underpayments

(b)(1)(A) Whenever the Commissioner of Social Security finds that more or less than the correct amount of benefits has been paid with respect to any individual, proper adjustment or recovery shall, subject to the succeeding provisions of this subsection, be made by appropriate adjustments in future payments to such individual or by recovery from such individual or his eligible spouse (or from the estate of either) or by payment to such individual or his eligible spouse, or, if such individual is deceased, by payment—

(i) to any surviving spouse of such individual, whether or not the individual's eligible spouse, if (within the meaning of the first sentence of section 202(i)) such surviving husband or wife was living in the same household with the individual at the time of his death or within the 6 months immediately preceding the month of such death, or

(ii) if such individual was a disabled or blind child who was living with his parent or parents at the time of his death or within the 6 months immediately preceding the month of such death, to such parent or parents.

(B) The Commissioner of Social Security (i) shall make such provision as he finds appropriate in the case of payment of more than the correct amount of benefits with respect to an individual with a view to avoiding penalizing such individual or his eligible spouse who was without fault in connection with the overpayment, if adjustment or recovery on account of such overpayment in such case would defeat the purposes of this title, or be against equity and good conscience, or (because of the small amount involved) impede efficient or effective administration of this title, and (ii) shall in any event make the adjustment or recovery (in the case of payment of more than the correct amount of benefits), in the case of an individual or eligible spouse receiving monthly benefit payments under this title (including supplementary payments of the type described in section 1616(a) and payments pursuant to an agreement entered into under section 212(a) of Public Law 93-66), in amounts which in the aggregate do not exceed (for any month) the lesser of (I) the amount of his or their benefit under this title for that month or (II) an amount equal to 10 percent of his or their income for that month (including such benefit but excluding payments under title II when recovery is made from title II payments pursuant to section 1147 and excluding income excluded pursuant to section 1612(b)), and in the case of an individual or eligible spouse to whom a lump sum is payable under this title (including under section 1616(a) of this Act or under an agreement entered into under section 212(a) of Public Law 93-66) shall, as at least one means of recovering such overpayment, make the adjustment or recovery from the lump sum payment in an amount equal to not less than the lesser of the amount of the overpayment or the lump sum payment, unless fraud, willful misrepresentation, or concealment of material information was involved on the part of the individual or spouse in connection with the overpayment, or unless the individual requests that such adjustment or recovery be made at a higher or lower rate and the Commissioner of Social Security determines that adjustment or recovery at such rate is justified and appropriate. The availability (in the case of an individual who has been paid more than the correct amount of benefits) of procedures for adjustment or recovery at a limited rate under clause (ii) of the preceding sentence shall not, in and of itself, prevent or restrict the provision (in such case) of more substantial relief under clause (i) of such sentence. In making for purposes of this subparagraph a determination of whether an adjustment or recovery would defeat the purpose of this title, the Commissioner of Social Security shall require an individual to provide authorization for the Commissioner to obtain (subject to the cost reimbursement requirements of

section 1115(a) of the Right to Financial Privacy Act) from any financial institution (within the meaning of section 1101(1) of such Act) any financial record (within the meaning of section 1101(2) of such Act) held by the institution with respect to such individual whenever the Commissioner determines that the record is needed in connection with a determination with respect to such adjustment or recovery, under the terms and conditions established under subsection (e)(1)(B).

(2) Notwithstanding any other provision of this section, when any payment of more than the correct amount is made to or on behalf of an individual who has died, and such payment—

(A) is made by direct deposit to a financial institution;

(B) is credited by the financial institution to a joint account of the deceased individual and another person; and

(C) such other person is the surviving spouse of the deceased individual, and was eligible for a payment under this title (including any State supplementation payment paid by the Commissioner of Social Security) as an eligible spouse (or as either member of an eligible couple) for the month in which the deceased individual died,

the amount of such payment in excess of the correct amount shall be treated as a payment of more than the correct amount to such other person. If any payment of more than the correct amount is made to a representative payee on behalf of an individual after the individual's death, the representative payee shall be liable for the repayment of the overpayment, and the Commissioner of Social Security shall establish an overpayment control record under the social security account number of the representative payee.

(3)(A) When any payment of more than the correct amount is made on behalf of an individual who is a represented minor beneficiary for a month in which such individual is in foster care under the responsibility of a State and the State is the representative payee of such individual, the State shall be liable for the repayment of the overpayment, and there shall be no adjustment of payments to, or recovery by the United States from, such individual.

(B) For purposes of this paragraph, the term "represented minor beneficiary", with respect to an individual for a month, means a child (as defined for purposes of section 475(8)) entitled to benefits under this title for such month whose benefits are certified for payment to a representative payee.

(4) If any overpayment with respect to an individual (or an individual and his or her spouse) is attributable solely to the ownership or possession by such individual (and spouse if any) of resources having a value which exceeds the applicable dollar figure specified in paragraph (1)(B) or (2)(B) of section 1611(a) by \$50 or less, such individual (and spouse if any) shall be deemed for purposes of the second sentence of paragraph (1) to have been without fault in connection with the overpayment, and no adjustment or recovery shall be made under the first sentence of such paragraph, unless the Commissioner of Social Security finds that the failure of such individual (and spouse if any) to report such value correctly and in a timely manner was knowing and willful.

(5)(A) With respect to any delinquent amount, the Commissioner of Social Security may use the collection practices described

in sections 3711(f), 3716, 3717, and 3718 of title 31, United States Code, and in section 5514 of title 5, United States Code, all as in effect immediately after the enactment of the Debt Collection Improvement Act of 1996.

(B) For purposes of subparagraph (A), the term “delinquent amount” means an amount—

(i) in excess of the correct amount of payment under this title;

(ii) paid to a person after such person has attained 18 years of age; and

(iii) determined by the Commissioner of Social Security, under regulations, to be otherwise unrecoverable under this section after such person ceases to be a beneficiary under this title.

(6) For payments for which adjustments are made by reason of a retroactive payment of benefits under title II, see section 1127.

(7) For provisions relating to the cross-program recovery of overpayments made under programs administered by the Commissioner of Social Security, see section 1147.

(8)(A) In the case of payment of less than the correct amount of benefits to or on behalf of any individual, no payment shall be made to such individual pursuant to this subsection during any period for which such individual—

(i) is not an eligible individual or eligible spouse under section 1611(e)(1) because such individual is an inmate of a public institution that is a jail, prison, or other penal institution or correctional facility the purpose of which is to confine individuals as described in clause (ii) or (iii) of section 202(x)(1)(A), or

(ii) is not an eligible individual or eligible spouse under section 1611(e)(4),

until such person is no longer considered an ineligible individual or ineligible spouse under section 1611(e)(1) or 1611(e)(4).

(B) Nothing in subparagraph (A) shall be construed to limit the Commissioner’s authority to withhold amounts, make adjustments, or recover amounts due under this title, title II, or title VIII that would be deducted from a payment that would otherwise be payable to such individual but for such subparagraph.

Hearings and Review

(c)(1)(A) The Commissioner of Social Security is directed to make findings of fact, and decisions as to the rights of any individual applying for payment under this title. Any such decision by the Commissioner of Social Security which involves a determination of disability and which is in whole or in part unfavorable to such individual shall contain a statement of the case, in understandable language, setting forth a discussion of the evidence, and stating the Commissioner’s determination and the reason or reasons upon which it is based. The Commissioner of Social Security shall provide reasonable notice and opportunity for a hearing to any individual who is or claims to be an eligible individual or eligible spouse and is in disagreement with any determination under this title with respect to eligibility of such individual for benefits, or the amount of such individual’s benefits, if such individual re-

quests a hearing on the matter in disagreement within sixty days after notice of such determination is received, and, if a hearing is held, shall, on the basis of evidence adduced at the hearing affirm, modify, or reverse his findings of fact and such decision. The Commissioner of Social Security is further authorized, on the Commissioner's own motion, to hold such hearings and to conduct such investigations and other proceedings as the Commissioner may deem necessary or proper for the administration of this title. In the course of any hearing, investigation, or other proceeding, the Commissioner may administer oaths and affirmations, examine witnesses, and receive evidence. Evidence may be received at any hearing before the Commissioner of Social Security even though inadmissible under the rules of evidence applicable to court procedure. The Commissioner of Social Security shall specifically take into account any physical, mental, educational, or linguistic limitation of such individual (including any lack of facility with the English language) in determining, with respect to the eligibility of such individual for benefits under this title, whether such individual acted in good faith or was at fault, and in determining fraud, deception, or intent.

(B)(i) A failure to timely request review of an initial adverse determination with respect to an application for any payment under this title or an adverse determination on reconsideration of such an initial determination shall not serve as a basis for denial of a subsequent application for any payment under this title if the applicant demonstrates that the applicant, or any other individual referred to in subparagraph (A), failed to so request such a review acting in good faith reliance upon incorrect, incomplete, or misleading information, relating to the consequences of reapplying for payments in lieu of seeking review of an adverse determination, provided by any officer or employee of the Social Security Administration or any State agency acting under section 221.

(ii) In any notice of an adverse determination with respect to which a review may be requested under subparagraph (A), the Commissioner of Social Security shall describe in clear and specific language the effect on possible eligibility to receive payments under this title of choosing to reapply in lieu of requesting review of the determination.

(2) Determination on the basis of such hearing, except to the extent that the matter in disagreement involves a disability (within the meaning of section 1614(a)(3)), shall be made within ninety days after the individual requests the hearing as provided in paragraph (1).

(3) The final determination of the Commissioner of Social Security after a hearing under paragraph (1) shall be subject to judicial review as provided in section 205(g) to the same extent as the Commissioner's final determinations under section 205.

Procedures; Prohibitions of Assignments; Representation of Claimants

(d)(1) The provisions of section 207 and subsections (a), (d), and (e) of section 205 shall apply with respect to this part to the same extent as they apply in the case of title II.

(2)(A) The provisions of section 206 (other than subsections (a)(4) and (d) thereof) shall apply to this part to the same extent as they apply in the case of title II, except that such section shall be applied—

(i) by substituting, in subparagraphs (A)(ii)(I) and (D)(i) of subsection (a)(2), the phrase “(as determined before any applicable reduction under section 1631(g), and reduced by the amount of any reduction in benefits under this title or title II made pursuant to section 1127(a))” for the parenthetical phrase contained therein;

(ii) by substituting, in subsections (a)(2)(B) and (b)(1)(B)(i), the phrase “paragraph (7)(A) or (8)(A) of section 1631(a) or the requirements of due process of law” for the phrase “subsection (g) or (h) of section 223”;

(iii) by substituting, in subsection (a)(2)(C)(i), the phrase “under title II” for the phrase “under title XVI”;

(iv) by substituting, in subsection (b)(1)(A), the phrase “pay the amount of such fee” for the phrase “certify the amount of such fee for payment” and by striking, in subsection (b)(1)(A), the phrase “or certified for payment”;

(v) by substituting, in subsection (b)(1)(B)(ii), the phrase “deemed to be such amounts as determined before any applicable reduction under section 1631(g), and reduced by the amount of any reduction in benefits under this title or title II made pursuant to section 1127(a)” for the phrase “determined before any applicable reduction under section 1127(a)”; and

(vi)¹⁴ by substituting, in subsection (e)(1)—

(I) “subparagraphs (B) and (C) of section 1631(d)(2)” for “the preceding provisions of this section”; and

(II) “title XVI” for “this title”.

(B) Subject to subparagraph (C), if the claimant is determined to be entitled to past-due benefits under this title and the person representing the claimant is an attorney, the Commissioner of Social Security shall pay out of such past-due benefits to such attorney an amount equal to the lesser of—

(i) so much of the maximum fee as does not exceed 25 percent of such past-due benefits (as determined before any applicable reduction under section 1631(g) and reduced by the amount of any reduction in benefits under this title or title II pursuant to section 1127(a)), or

(ii) the amount of past-due benefits available after any applicable reductions under sections 1631(g) and 1127(a).

(C)(i) Whenever a fee for services is required to be paid to an attorney from a claimant’s past-due benefits pursuant to subparagraph (B), the Commissioner shall impose on the attorney an assessment calculated in accordance with clause (ii).

(ii)(I) The amount of an assessment under clause (i) shall be equal to the product obtained by multiplying the amount of the representative’s fee that would be required to be paid by subparagraph (B) before the application of this subparagraph, by the percentage specified in subclause (II), except that the maximum

¹⁴Margin for clause (vi) so in law.

amount of the assessment may not exceed \$75. In the case of any calendar year beginning after the amendments made by section 302 of the Social Security Protection Act of 2003 take effect, the dollar amount specified in the preceding sentence (including a previously adjusted amount) shall be adjusted annually under the procedures used to adjust benefit amounts under section 215(i)(2)(A)(ii), except such adjustment shall be based on the higher of \$75 or the previously adjusted amount that would have been in effect for December of the preceding year, but for the rounding of such amount pursuant to the following sentence. Any amount so adjusted that is not a multiple of \$1 shall be rounded to the next lowest multiple of \$1, but in no case less than \$75.

(II) The percentage specified in this subclause is such percentage rate as the Commissioner determines is necessary in order to achieve full recovery of the costs of determining and approving fees to attorneys from the past-due benefits of claimants, but not in excess of 6.3 percent.

(iii) The Commissioner may collect the assessment imposed on an attorney under clause (i) by offset from the amount of the fee otherwise required by subparagraph (B) to be paid to the attorney from a claimant's past-due benefits.

(iv) An attorney subject to an assessment under clause (i) may not, directly or indirectly, request or otherwise obtain reimbursement for such assessment from the claimant whose claim gave rise to the assessment.

(v) Assessments on attorneys collected under this subparagraph shall be deposited as miscellaneous receipts in the general fund of the Treasury.

(vi) The assessments authorized under this subparagraph shall be collected and available for obligation only to the extent and in the amount provided in advance in appropriations Acts. Amounts so appropriated are authorized to remain available until expended, for administrative expenses in carrying out this title and related laws.

(D) The Commissioner of Social Security shall notify each claimant in writing, together with the notice to such claimant of an adverse determination, of the options for obtaining attorneys to represent individuals in presenting their cases before the Commissioner of Social Security. Such notification shall also advise the claimant of the availability to qualifying claimants of legal services organizations which provide legal services free of charge.

Applications and Furnishing of Information

(e)(1)(A) The Commissioner of Social Security shall, subject to subparagraph (B) and subsection (j), prescribe such requirements with respect to the filing of applications, the suspension or termination of assistance, the furnishing of other data and material, and the reporting of events and changes in circumstances, as may be necessary for the effective and efficient administration of this title.

(B)(i) The requirements prescribed by the Commissioner of Social Security pursuant to subparagraph (A) shall require that eligibility for benefits under this title will not be determined solely on the basis of declarations by the applicant concerning eligibility fac-

tors or other relevant facts, and that relevant information will be verified from independent or collateral sources and additional information obtained as necessary in order to assure that such benefits are only provided to eligible individuals (or eligible spouses) and that the amounts of such benefits are correct. For this purpose and for purposes of federally administered supplementary payments of the type described in section 1616(a) of this Act (including payments pursuant to an agreement entered into under section 212(a) of Public Law 93–66), the Commissioner of Social Security shall, as may be necessary, request and utilize information available pursuant to section 6103(l)(7) of the Internal Revenue Code of 1954, and any information which may be available from State systems under section 1137 of this Act, and shall comply with the requirements applicable to States (with respect to information available pursuant to section 6103(l)(7)(B) of such Code) under subsections (a)(6) and (c) of such section 1137.

(ii)(I) The Commissioner of Social Security may require each applicant for, or recipient of, benefits under this title to provide authorization by the applicant or recipient (or by any other person whose income or resources are material to the determination of the eligibility of the applicant or recipient for such benefits) for the Commissioner to obtain (subject to the cost reimbursement requirements of section 1115(a) of the Right to Financial Privacy Act) from any financial institution (within the meaning of section 1101(1) of such Act) any financial record (within the meaning of section 1101(2) of such Act) held by the institution with respect to the applicant or recipient (or any such other person) whenever the Commissioner determines the record is needed in connection with a determination with respect to such eligibility or the amount of such benefits.

(II) Notwithstanding section 1104(a)(1) of the Right to Financial Privacy Act, an authorization provided by an applicant or recipient (or any other person whose income or resources are material to the determination of the eligibility of the applicant or recipient) pursuant to subclause (I) of this clause shall remain effective until the earliest of—

(aa) the rendering of a final adverse decision on the applicant's application for eligibility for benefits under this title;

(bb) the cessation of the recipient's eligibility for benefits under this title; or

(cc) the express revocation by the applicant or recipient (or such other person referred to in subclause (I)) of the authorization, in a written notification to the Commissioner.

(III)(aa) An authorization obtained by the Commissioner of Social Security pursuant to this clause shall be considered to meet the requirements of the Right to Financial Privacy Act for purposes of section 1103(a) of such Act, and need not be furnished to the financial institution, notwithstanding section 1104(a) of such Act.

(bb) The certification requirements of section 1103(b) of the Right to Financial Privacy Act shall not apply to requests by the Commissioner of Social Security pursuant to an authorization provided under this clause.

(cc) A request by the Commissioner pursuant to an authorization provided under this clause is deemed to meet the requirements

of section 1104(a)(3) of the Right to Financial Privacy Act and the flush language of section 1102 of such Act.

(IV) The Commissioner shall inform any person who provides authorization pursuant to this clause of the duration and scope of the authorization.

(V) If an applicant for, or recipient of, benefits under this title (or any such other person referred to in subclause (I)) refuses to provide, or revokes, any authorization made by the applicant or recipient for the Commissioner of Social Security to obtain from any financial institution any financial record, the Commissioner may, on that basis, determine that the applicant or recipient is ineligible for benefits under this title, determine that adjustment or recovery on account of an overpayment with respect to the applicant or recipient would not defeat the purpose of this title, or both.

(iii)(I) The Commissioner of Social Security may require each applicant for, or recipient of, benefits under this title to provide authorization by the applicant, recipient or legal guardian (or by any other person whose income or resources are material to the determination of the eligibility of the applicant or recipient for such benefits) for the Commissioner to obtain from any payroll data provider (as defined in section 1184(c)(1)) any record held by the payroll data provider with respect to the applicant or recipient (or any such other person) whenever the Commissioner determines the record is needed in connection with a determination of initial or ongoing eligibility or the amount of such benefits.

(II) An authorization provided by an applicant, recipient or legal guardian (or any other person whose income or resources are material to the determination of the eligibility of the applicant or recipient) under this clause shall remain effective until the earliest of—

(aa) the rendering of a final adverse decision on the applicant's application for eligibility for benefits under this title;

(bb) the cessation of the recipient's eligibility for benefits under this title;

(cc) the express revocation by the applicant, or recipient (or such other person referred to in subclause (I)) of the authorization, in a written notification to the Commissioner; or

(dd) the termination of the basis upon which the Commissioner considers another person's income and resources available to the applicant or recipient.

(III) The Commissioner of Social Security is not required to furnish any authorization obtained pursuant to this clause to the payroll data provider.

(IV) The Commissioner shall inform any person who provides authorization pursuant to this clause of the duration and scope of the authorization.

(V) If an applicant for, or recipient of, benefits under this title (or any such other person referred to in subclause (I)) refuses to provide, or revokes, any authorization required by subclause (I), paragraph (2)(B) and paragraph (10) shall not apply to such applicant or recipient beginning with the first day of the first month in which he or she refuses or revokes such authorization.

(C) For purposes of making determinations under section 1611(e), the requirements prescribed by the Commissioner of Social Security pursuant to subparagraph (A) of this paragraph shall require each administrator of a nursing home, extended care facility, or intermediate care facility, within 2 weeks after the admission of any eligible individual or eligible spouse receiving benefits under this title, to transmit to the Commissioner a report of the admission.

(2)(A) In case of the failure by any individual to submit a report of events and changes in circumstances relevant to eligibility for or amount of benefits under this title as required by the Commissioner of Social Security under paragraph (1), or delay by any individual in submitting a report as so required, the Commissioner of Social Security (in addition to taking any other action the Commissioner may consider appropriate under paragraph (1)) shall reduce any benefits which may subsequently become payable to such individual under this title by—

- (i) \$25 in the case of the first such failure or delay,
 - (ii) \$50 in the case of the second such failure or delay, and
 - (iii) \$100 in the case of the third or a subsequent such failure or delay,
- except where the individual was without fault or good cause for such failure or delay existed.

(B) For purposes of subparagraph (A), the Commissioner of Social Security shall find that good cause exists for the failure of, or delay by, an individual in submitting a report of an event or change in circumstances relevant to eligibility for or amount of benefits under this title in any case where—

- (i) the individual (or another person referred to in paragraph (1)(B)(iii)(I)) has provided authorization to the Commissioner to access payroll data records related to the individual; and
- (ii) the event or change in circumstance is a change in the individual's employer.

(3) The Commissioner of Social Security shall provide a method of making payments under this title to an eligible individual who does not reside in a permanent dwelling or does not have a fixed home or mailing address.

(4) A translation into English by a third party of a statement made in a foreign language by an applicant for or recipient of benefits under this title shall not be regarded as reliable for any purpose under this title unless the third party, under penalty of perjury—

- (A) certifies that the translation is accurate; and
- (B) discloses the nature and scope of the relationship between the third party and the applicant or recipient, as the case may be.

(5) In any case in which it is determined to the satisfaction of the Commissioner of Social Security that an individual failed as of any date to apply for benefits under this title by reason of misinformation provided to such individual by any officer or employee of the Social Security Administration relating to such individual's eligibility for benefits under this title, such individual shall be deemed to have applied for such benefits on the later of—

(A) the date on which such misinformation was provided to such individual, or

(B) the date on which such individual met all requirements for entitlement to such benefits (other than application therefor).

(6) In any case in which an individual visits a field office of the Social Security Administration and represents during the visit to an officer or employee of the Social Security Administration in the office that the individual's visit is occasioned by—

(A) the receipt of a notice from the Social Security Administration indicating a time limit for response by the individual, or

(B) the theft, loss, or nonreceipt of a benefit payment under this title,

the Commissioner of Social Security shall ensure that the individual is granted a face-to-face interview at the office with an officer or employee of the Social Security Administration before the close of business on the day of the visit.

(7)(A)(i) The Commissioner of Social Security shall immediately redetermine the eligibility of an individual for benefits under this title if there is reason to believe that fraud or similar fault was involved in the application of the individual for such benefits, unless a United States attorney, or equivalent State prosecutor, with jurisdiction over potential or actual related criminal cases, certifies, in writing, that there is a substantial risk that such action by the Commissioner of Social Security with regard to recipients in a particular investigation would jeopardize the criminal prosecution of a person involved in a suspected fraud.

(ii) When redetermining the eligibility, or making an initial determination of eligibility, of an individual for benefits under this title, the Commissioner of Social Security shall disregard any evidence if there is reason to believe that fraud or similar fault was involved in the providing of such evidence.

(B) For purposes of subparagraph (A), similar fault is involved with respect to a determination if—

(i) an incorrect or incomplete statement that is material to the determination is knowingly made; or

(ii) information that is material to the determination is knowingly concealed.

(C) If, after redetermining the eligibility of an individual for benefits under this title, the Commissioner of Social Security determines that there is insufficient evidence to support such eligibility, the Secretary may terminate such eligibility and may treat benefits paid on the basis of such insufficient evidence as overpayments.

(8)(A) The Commissioner of Social Security shall request the Immigration and Naturalization Service or the Centers for Disease Control to provide the Commissioner of Social Security with whatever medical information, identification information, and employment history either such entity has with respect to any alien who has applied for benefits under title XVI to the extent that the information is relevant to any determination relating to eligibility for such benefits under title XVI.

(B) Subparagraph (A) shall not be construed to prevent the Commissioner of Social Security from adjudicating the case before receiving such information.

(9) Notwithstanding any other provision of law, the Commissioner shall, at least 4 times annually and upon request of the Immigration and Naturalization Service (hereafter in this paragraph referred to as the "Service"), furnish the Service with the name and address of, and other identifying information on, any individual who the Commissioner knows is not lawfully present in the United States, and shall ensure that each agreement entered into under section 1616(a) with a State provides that the State shall furnish such information at such times with respect to any individual who the State knows is not lawfully present in the United States.

(10) An individual who has authorized the Commissioner of Social Security to obtain records from a payroll data provider under paragraph (1)(B)(iii) (or on whose behalf another person described in subclause (I) of such paragraph has provided such authorization) shall not be subject to a penalty under section 1129A for any omission or error with respect to such individual's wages as reported by the payroll data provider.

Furnishing of Information by Other Agencies

(f) The head of any Federal agency shall provide such information as the Commissioner of Social Security needs for purposes of determining eligibility for or amount of benefits, or verifying other information with respect thereto.

Reimbursement to States for Interim Assistance Payments

(g)(1) Notwithstanding subsection (d)(1) and subsection (b) as it relates to the payment of less than the correct amount of benefits, the Commissioner of Social Security may, upon written authorization by an individual, withhold benefits due with respect to that individual and may pay to a State (or a political subdivision thereof if agreed to by the Commissioner of Social Security and the State) from the benefits withheld an amount sufficient to reimburse the State (or political subdivision) for interim assistance furnished on behalf of the individual by the State (or political subdivision).

(2) For purposes of this subsection, the term "benefits" with respect to any individual means supplemental security income benefits under this title, and any State supplementary payments under section 1616 or under section 212 of Public Law 93-66 which the Commissioner of Social Security makes on behalf of a State (or political subdivision thereof), that the Commissioner of Social Security has determined to be due with respect to the individual at the time the Commissioner of Social Security makes the first payment of benefits with respect to the period described in clause (A) or (B) of paragraph (3). A cash advance made pursuant to subsection (a)(4)(A) shall not be considered as the first payment of benefits for purposes of the preceding sentence.

(3) For purposes of this subsection, the term "interim assistance" with respect to any individual means assistance financed from State or local funds and furnished for meeting basic needs (A) during the period, beginning with the month following the month

in which the individual filed an application for benefits (as defined in paragraph (2)), for which he was eligible for such benefits, or (B) during the period beginning with the first month for which the individual's benefits (as defined in paragraph (2)) have been terminated or suspended if the individual was subsequently found to have been eligible for such benefits.

(4) In order for a State to receive reimbursement under the provisions of paragraph (1), the State shall have in effect an agreement with the Commissioner of Social Security which shall provide—

(A) that if the Commissioner of Social Security makes payment to the State (or a political subdivision of the State as provided for under the agreement) in reimbursement for interim assistance (as defined in paragraph (3)) for any individual in an amount greater than the reimbursable amount authorized by paragraph (1), the State (or political subdivision) shall pay to the individual the balance of such payment in excess of the reimbursable amount as expeditiously as possible, but in any event within ten working days or a shorter period specified in the agreement; and

(B) that the State will comply with such other rules as the Commissioner of Social Security finds necessary to achieve efficient and effective administration of this subsection and to carry out the purposes of the program established by this title, including protection of hearing rights for any individual aggrieved by action taken by the State (or political subdivision) pursuant to this subsection.

(5) The provisions of subsection (c) shall not be applicable to any disagreement concerning payment by the Commissioner of Social Security to a State pursuant to the preceding provisions of this subsection nor the amount retained by the State (or political subdivision).

Payment of Certain Travel Expenses

(h) The Commissioner of Social Security shall pay travel expenses, either on an actual cost or commuted basis, to individuals for travel incident to medical examinations requested by the Commissioner of Social Security in connection with disability determinations under this title, and to parties, their representatives, and all reasonably necessary witnesses for travel within the United States (as defined in section 1614(e)) to attend reconsideration interviews and proceedings before administrative law judges with respect to any determination under this title. (B) who, after such eligibility, is ineligible for benefits under or pursuant to both such sections for a period of 12 consecutive months (or 24 consecutive months, in the case of such an individual whose ineligibility for benefits under or pursuant to both such sections is a result of being called to active duty pursuant to section 12301(d) or 12302 of title 10, United States Code, or section 502(f) of title 32, United States Code),

may not thereafter become eligible for benefits under or pursuant to either such section until the individual has reapplied for benefits under section 1611 and been determined to be eligible for benefits under such section, or has filed a request for reinstatement of eligi-

shall, upon becoming eligible (as described in clause (i)(I) or (ii)(I)), be subject to a prompt review of the type described in section 1614(a)(4).

(B) If the Commissioner of Social Security determines pursuant to a review required by subparagraph (A) that the impairment upon which the eligibility of an individual is based has ceased, does not exist, or is not disabling, such individual may not thereafter become eligible for a benefit under or pursuant to section 1611 or section 1619 until the individual has reapplied for benefits under section 1611 and been determined to be eligible for benefits under such section.

Reinstatement of Eligibility on the Basis of Blindness or Disability

(p)(1)(A) Eligibility for benefits under this title shall be reinstated in any case where the Commissioner determines that an individual described in subparagraph (B) has filed a request for reinstatement meeting the requirements of paragraph (2)(A) during the period prescribed in subparagraph (C). Reinstatement of eligibility shall be in accordance with the terms of this subsection.

(B) An individual is described in this subparagraph if—

(i) prior to the month in which the individual files a request for reinstatement—

(I) the individual was eligible for benefits under this title on the basis of blindness or disability pursuant to an application filed therefor; and

(II) the individual thereafter was ineligible for such benefits due to earned income (or earned and unearned income) for a period of 12 or more consecutive months;

(ii) the individual is blind or disabled and the physical or mental impairment that is the basis for the finding of blindness or disability is the same as (or related to) the physical or mental impairment that was the basis for the finding of blindness or disability that gave rise to the eligibility described in clause (i);

(iii) the individual's blindness or disability renders the individual unable to perform substantial gainful activity; and

(iv) the individual satisfies the nonmedical requirements for eligibility for benefits under this title.

(C)(i) Except as provided in clause (ii), the period prescribed in this subparagraph with respect to an individual is 60 consecutive months beginning with the month following the most recent month for which the individual was eligible for a benefit under this title (including section 1619) prior to the period of ineligibility described in subparagraph (B)(i)(II).

(ii) In the case of an individual who fails to file a reinstatement request within the period prescribed in clause (i), the Commissioner may extend the period if the Commissioner determines that the individual had good cause for the failure to so file.

(2)(A)(i) A request for reinstatement shall be filed in such form, and containing such information, as the Commissioner may prescribe.

(ii) A request for reinstatement shall include express declarations by the individual that the individual meets the requirements specified in clauses (ii) through (iv) of paragraph (1)(B).

(B) A request for reinstatement filed in accordance with subparagraph (A) may constitute an application for benefits in the case of any individual who the Commissioner determines is not eligible for reinstated benefits under this subsection.

(3) In determining whether an individual meets the requirements of paragraph (1)(B)(ii), the provisions of section 1614(a)(4) shall apply.

(4)(A) Eligibility for benefits reinstated under this subsection shall commence with the benefit payable for the month following the month in which a request for reinstatement is filed.

(B)(i) Subject to clause (ii), the amount of the benefit payable for any month pursuant to the reinstatement of eligibility under this subsection shall be determined in accordance with the provisions of this title.

(ii) The benefit under this title payable for any month pursuant to a request for reinstatement filed in accordance with paragraph (2) shall be reduced by the amount of any provisional benefit paid to such individual for such month under paragraph (7).

(C) Except as otherwise provided in this subsection, eligibility for benefits under this title reinstated pursuant to a request filed under paragraph (2) shall be subject to the same terms and conditions as eligibility established pursuant to an application filed therefor.

(5) Whenever an individual's eligibility for benefits under this title is reinstated under this subsection, eligibility for such benefits shall be reinstated with respect to the individual's spouse if such spouse was previously an eligible spouse of the individual under this title and the Commissioner determines that such spouse satisfies all the requirements for eligibility for such benefits except requirements related to the filing of an application. The provisions of paragraph (4) shall apply to the reinstated eligibility of the spouse to the same extent that they apply to the reinstated eligibility of such individual.

(6) An individual to whom benefits are payable under this title pursuant to a reinstatement of eligibility under this subsection for twenty-four months (whether or not consecutive) shall, with respect to benefits so payable after such twenty-fourth month, be deemed for purposes of paragraph (1)(B)(i)(I) to be eligible for such benefits on the basis of an application filed therefor.

(7)(A) An individual described in paragraph (1)(B) who files a request for reinstatement in accordance with the provisions of paragraph (2)(A) shall be eligible for provisional benefits payable in accordance with this paragraph, unless the Commissioner determines that the individual does not meet the requirements of paragraph (1)(B)(i) or that the individual's declaration under paragraph (2)(A)(ii) is false. Any such determination by the Commissioner shall be final and not subject to review under paragraph (1) or (3) of subsection (c).

(B)(i) Except as otherwise provided in clause (ii), the amount of a provisional benefit for a month shall equal the amount of the monthly benefit that would be payable to an eligible individual under this title with the same kind and amount of income.

(ii) If the individual has a spouse who was previously an eligible spouse of the individual under this title and the Commissioner determines that such spouse satisfies all the requirements of section 1614(b) except requirements related to the filing of an application, the amount of a provisional benefit for a month shall equal the amount of the monthly benefit that would be payable to an eli-

gible individual and eligible spouse under this title with the same kind and amount of income.

(C)(i) Provisional benefits shall begin with the month following the month in which a request for reinstatement is filed in accordance with paragraph (2)(A).

(ii) Provisional benefits shall end with the earliest of—

(I) the month in which the Commissioner makes a determination regarding the individual's eligibility for reinstated benefits;

(II) the fifth month following the month for which provisional benefits are first payable under clause (i); or

(III) the month in which the Commissioner determines that the individual does not meet the requirements of paragraph (1)(B)(i) or that the individual's declaration made in accordance with paragraph (2)(A)(ii) is false.

(D) In any case in which the Commissioner determines that an individual is not eligible for reinstated benefits, any provisional benefits paid to the individual under this paragraph shall not be subject to recovery as an overpayment unless the Commissioner determines that the individual knew or should have known that the individual did not meet the requirements of paragraph (1)(B).

(8) For purposes of this subsection other than paragraph (7), the term "benefits under this title" includes State supplementary payments made pursuant to an agreement under section 1616(a) of this Act or section 212(b) of Public Law 93-66.

(c) Any person or entity convicted of a violation of subsection (a) of this section or of section 208 may not be certified as a representative payee under section 1631(a)(2).
